DrivePro® Service Partner

You grow your business

...and we at Danfoss are here to support you. As a DrivePro® Service Partner you deliver the DrivePro® Life Cycle services. These services go beyond simple device maintenance, repairs and replacements, to proactively improve customers' productivity, performance and uptime.

As our partner, you are the face of Danfoss on site with your customers.

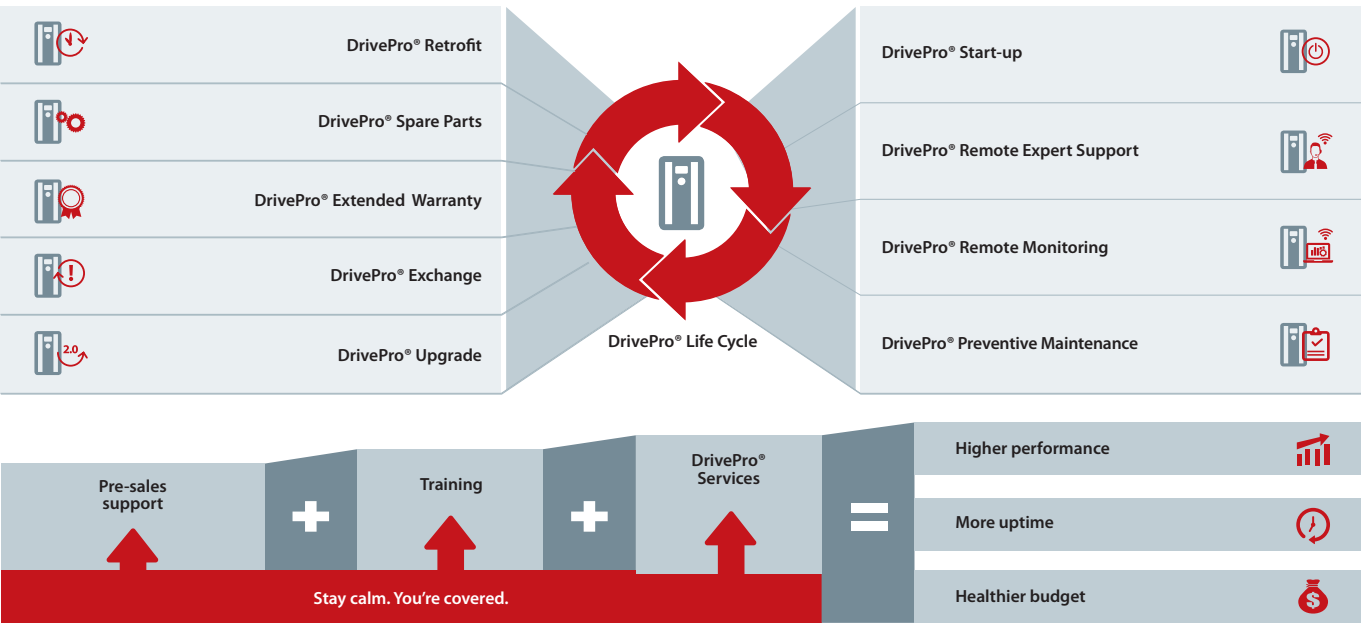

We collaborate together to guide and support the customer all the way through his installation life cycle. Your customer enjoys peace of mind whilst getting the most out of his AC drives applications.

- **What's in it for you?**
This is an opportunity to grow your business by building capability and selling service products
- **What's in it for your customers?**
Best-in-class service from a local provider, with global standardization

Danfoss aims to ensure high-performance local service, and mutually grow service business with partners.

To assist you, Danfoss provides global standardization of service products, training, authorization and help in promoting the Danfoss brand.

DrivePro® Life Cycle services

How do you become a DrivePro® Service Partner?

Steps on the path to partnership

- We discuss the match of our business goals and your technical capability. We assess your business on the basis of service business, service capability, quality and transparency
- When there is a good match, we offer you authorization as DrivePro® Service Partner.
- You're in business:
 - We provide technical and commercial training as DrivePro® Service Partner.
 - We collaborate on business development to increase your ability to grow your business.
 - We support your business promotion with marketing materials

■ Development:

- We agree on targets, we perform regular audits and performance assessment, and identify ongoing training needs
- You enjoy the privileges of the Partner Benefit Program

Training

Take advantage of our numerous training programs available to improve your personal knowledge and skills to help you get the most out of your customer's drives, and keep them running at full potential. We also aim to keep you up to date on trends, methods and features that save additional energy or offer new ways to increase performance or decrease process downtime.

Personnel at any level will benefit from our programs that cover a wide range of topics, such as products, services, technology, engineering, tools, industries and applications.

Stay calm. You're covered.

You're covered

with DrivePro® Life Cycle service products

DrivePro® Retrofit **Minimize the impact and maximize the benefit**

Manage the end of product lifecycle efficiently, with professional help to replace your legacy drives.
The DrivePro® Retrofit service ensures optimal uptime and productivity during the smooth replacement process.

DrivePro® Start-up **Fine-tune your drive for optimal performance today**

Save on installation and commissioning time and cost. Get help from professional drives experts during start-up, to optimize drives safety, availability and performance.

DrivePro® Spare Parts **Plan ahead with your spare part package**

In critical situations, you want no delays. With DrivePro® Spare Parts you always have the right parts on hand, on time. Keep your drives running at top efficiency, and optimize system performance.

DrivePro® Preventive Maintenance **Take preventive action**

You receive a maintenance plan and budget, based on an audit of the installation. Then our experts perform the maintenance tasks for you, according to the defined plan.

DrivePro® Extended Warranty **Long-term peace of mind**

Get the longest coverage available in the industry, for peace of mind, a strong business case and a stable, reliable budget. You know the annual cost of maintaining your drives, up to six years in advance.

DrivePro® Remote Expert Support **You can rely on us every step of the way**

DrivePro® Remote Expert Support offers speedy resolution of on-site issues thanks to timely access to accurate information. With the secure connection, our drives experts analyze issues remotely reducing the time and cost involved in unnecessary service visits.

DrivePro® Exchange **The fast, most cost-efficient alternative to repair**

You obtain the fastest, most cost-efficient alternative to repair, when time is critical. You increase uptime, thanks to quick and correct replacement of the drive.

DrivePro® Remote Monitoring **Fast resolution of issues**

DrivePro® Remote Monitoring offers you a system that provides online information available for monitoring in real time. It collects all the relevant data and analyzes it so that you can resolve issues before they affect your processes.

DrivePro® Upgrade **Maximize your AC drive investment**

Use an expert to replace parts or software in a running unit, so your drive is always up-to-date. You receive an on-site evaluation, an upgrade plan and recommendations for future improvements.
