Accessories for

**077B7066
077B7068**

The 077B...EBD, 077B...L EBD can be applied on systems with R290 and R600a as the working fluid.
For countries where safety standards are not an indispensable part of the safety system Danfoss recommend the installer to get a third party approval of the system containing flammable refrigerant.

Note: All temperatures at 760 mm Hg
