

Octubre 2023

Línea de asunto: Eliminación gradual de algunos modelos L, P y U de la oferta de compresores de refrigeración comerciales ligeros de Danfoss.

Estimado cliente,

Como parte del proceso de reducción de complejidad de Danfoss, se discontinuarán algunos de los modelos de compresores de la gama L, P y U fabricados por Huayi Group para diferentes refrigerantes. Para la mayoría de los modelos, ofrecemos modelos alternativos.

Productos afectados:

A continuación se enumeran los compresores que pronto se eliminarán gradualmente. Se sugieren modelos de compresores de repuesto según las siguientes tablas de referencia cruzada.

* - listed code numbers are reflecting single packaging, for industrial pack replace B letter with F in a code.

Tiempo de eliminación gradual:

Se seguirán aceptando pedidos hasta el 15 de diciembre de 2023 para los modelos cuya producción suspenderá. Para la mayoría de los compresores enumerados, la producción de modelos, a partir de 2024, será imposible o, en algunos casos acordados, tendrá un plazo de entrega muy largo.

Documentación disponible:

Para obtener más información técnica sobre compresores, consulte el documento:

- Catálogo de 50 y 60 Hz - Compresores de refrigeración comercial ligero Danfoss AC/DC - Gama B, U, L, P, X, S – enlace
