

Lead Times on Industrial Pumps and Motors

May 2024

Region: AMER

Product: Vane pumps

- **Square (V10, V20, V20H, V2010, V2020)**
- **Intravane (V, VQ, VQH, VMQ)**
- **C-Kits**
- **Vane Motors**

Danfoss is announcing a reduction of extended lead times back to standard lead times on Vickers by Danfoss vane pumps from our Searcy Arkansas facility. This announcement applies to all families of vane pumps. This move, in addition to the previous reduction in lead times for square pumps, means all vane product from Searcy have returned to standard A/B/C lead times.

The table below shows the current lead times for the Vane pump product line in the AMER Region.

Please contact your local sales or customer service representative with questions.
