NOTICE OF THE MEETING

To the Members of Danfoss Systems Limited (Formerly known as Eaton Fluid Power Limited)

Notice is hereby given that the Fifty-Ninth Annual General Meeting of Danfoss Systems Limited (Formerly known as Eaton Fluid Power Limited) (CIN: U29120PN1965PLC015850) will be held on Thursday, December 26, 2024, at 10.30 AM IST through Video Conferencing ('VC') / Other Audio-Visual Means ('OAVM') to transact the following business:

ORDINARY BUSINESS:

1. To receive, consider, and adopt the Audited Financial Statements of the Company for the financial year ended March 31, 2024, together with the Auditor's Report and Board's Report thereon.
2. To appoint a director in place of Ravichandran Purushothaman (DIN 06584433) who retires by rotation and being eligible, offers himself for re-appointment.
3. To appoint Statutory Auditors and fix their Remuneration.

SPECIAL BUSINESS:

4. **To ratify the remuneration of M/s. C.S. Adawadkar & Co., Cost Accountants, Pune as Cost Auditors for the financial year ending March 31, 2025:**

In this matter, to consider and, if thought fit, to pass, with or without modification(s), the following resolution as an **Ordinary Resolution**.

"RESOLVED THAT pursuant to the provisions of Section 148 and other applicable provisions, if any, of the Companies Act, 2013 and the Companies (Audit and Auditors) Rules, 2014 (including any statutory modification or re-enactment thereof for the time being in force), as amended from time to time, the Company hereby ratifies the remuneration of Rs. 3,00,000/- (Rupees Three Lakhs Only) exclusive of out-of-pocket expenses and applicable taxes payable to M/s. C.S. Adawadkar & Co., Cost Accountants, Pune who is appointed by the Board of Directors as Cost Auditors of the Company to conduct cost audit relating to cost records of the Company under the Companies (Cost Records and Audit) Rules, 2014 for the financial year ending March 31, 2025.

RESOLVED FURTHER THAT the Board of Directors of the Company (including any Committee thereof) be and is hereby authorized to take all such steps as may be necessary, proper, and expedient to give effect to this resolution.

RESOLVED FURTHER THAT any of the Directors of the Company be and is hereby severally authorized to take all the steps to give effect to this resolution and to complete the required statutory formalities in this regard."

NOTES:

1. In view of the outbreak of the COVID-19 pandemic, the Ministry of Corporate Affairs ("MCA") through various Circulars has permitted the holding of the Annual General Meeting ("AGM") through Video Conferencing ("VC") or Other Audio Visual Means ("OAVM"), without the physical presence of the Members at a common venue. In compliance with the provisions of the Companies Act, 2013 ("the Act"), and MCA Circulars, the 59th (Fifty Ninth) AGM of the Company is being held through VC / OAVM.

2. The Explanatory Statement pursuant to Section 102(1) of the Companies Act, 2013 ("the Act"), setting out the material facts relating to special businesses to be transacted at the 59th Annual General Meeting ("AGM"), as set out in this Notice is annexed hereto.
3. The attendance of the Members attending the AGM through VC/OAVM, will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013. Members can attend and participate in the AGM through VC/OACM only.
4. Members are requested to note that the Company's equity shares are under compulsory demat trading for all investors, subject to the provisions of the Companies (Prospectus and Allotment of Securities) Third Amendment Rules, 2018 dated 10.09.2018. Members are, therefore, requested to dematerialize their shareholding to avoid inconvenience.
5. Members holding shares in dematerialized mode are requested to intimate all changes pertaining to their bank details, ECS mandates, email addresses, nominations, power of attorney, change of address/name etc. to their Depository Participant (DP) only and not to the Company or its Registrar and Transfer Agent. Any such changes effected by the DPs will automatically reflect in the Company's subsequent records.
6. Members of the Company holding shares either in physical form or in electronic form as on the cut-off date of Wednesday, December 18, 2024 may cast their vote by remote e-Voting. The remote e-Voting period commences on Monday, December 23, 2024 at 9.00 a.m. (IST) and ends on Wednesday, December 25, 2024 at 5.00 p.m. (IST). The remote e-Voting module shall be disabled by Link Intime India Private Limited for voting thereafter. Once the vote on a resolution is cast by the Member, the Member shall not be allowed to change it subsequently. The voting rights of the Members (for voting through remote e-Voting before/ during the AGM) shall be in proportion to their share of the paid-up equity share capital of the Company as on the cut-off date of Wednesday, December 18, 2024.
7. CS Devendra V Deshpande, Practicing Company Secretary (FCS:6099, CP:6515) has been appointed as the Scrutinizer to scrutinize the remote e-voting process as well as the e-voting process at the AGM in a fair and transparent manner.
8. The Scrutinizer shall make, not later than 48 hours of the conclusion of the AGM, a consolidated scrutinizer's report of the total votes cast in favour or against, if any, to the Chairman or a Director authorized by him in writing, who shall countersign the same. The Chairman or the authorized Director shall declare the result of the voting forthwith.
9. The results declared along with the Scrutinizer's Report shall be uploaded on the Company's website given below after the same is declared by the Chairman/authorized person
<https://www.danfoss.com/en/about-danfoss/company/financial-information/>
10. In case of joint holders, the Members whose name appear first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
11. Pursuant to the provisions of the Companies Act, 2013, a Member entitled to attend and vote at the Annual General Meeting is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC/OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the Annual General Meeting and hence the Proxy Form, Map for address and Attendance Slip are not annexed to the Notice.
12. Institutional/Corporate Shareholders (i.e. other than individuals/HUF, NRI, etc.) are required to send a scanned copy (PDF/JPEG Format) of its Board Resolution or governing body Resolution/Authorisation etc., authorising its representative to attend the Annual General

Meeting through VC/OAVM on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer by email through their registered email address to devendracs@gmail.com with copies marked to the Company at ganapathy@danfoss.com and to its RTA at instameet@linkintime.co.in

13. The Notice of the Annual General Meeting along with the Annual Report for the financial year 2023-24 is being sent only by electronic mode to those Members whose email addresses are registered with the Company/Depositories in accordance with the aforesaid MCA Circulars. Members may note that the Notice of Annual General Meeting and Annual Report for the financial year 2023-24 will also be available on the Company's website <https://www.danfoss.com/en/about-danfoss/company/financial-information/>. Members can attend and participate in the Annual General Meeting through VC/OAVM facility only.
14. The Company has received a letter of approval from Registrar of Companies, Pune for granting extension of time for holding the Annual General Meeting under Section 96 (3) of the Companies Act, 2013

INDEPENDENT AUDITOR'S REPORT

To the Members of Danfoss Systems Limited (formerly known as Eaton Fluid Power Limited)

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Danfoss Systems Limited (formerly known as Eaton Fluid Power Limited) ("the Company"), which comprise the Balance sheet as at March 31 2024, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement

of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting

estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except that the Company does not have server physically located in India for the daily backup of the books of account and other books and papers maintained in electronic mode and except for the matters stated in the paragraph (i)(vi) below on reporting under Rule 11(g);
 - (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - (e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act;

- (f) The modification relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph (b) above on reporting under Section 143(3)(b) and paragraph i(vi) below on reporting under Rule 11(g), as described in note 37 to the financial statements;
- (g) With respect to the adequacy of the internal financial controls with reference to these financial statements and the operating effectiveness of such controls, refer to our separate Report in “Annexure 2” to this report;
- (h) In our opinion, the managerial remuneration for the year ended March 31, 2024 has been paid by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;
- (i) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer note 29 to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv.
 - a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
 - v. No dividend has been declared or paid during the year by the Company.

- vi. The Company has migrated to a new accounting software during the year. The audit trail feature in respect of old accounting software was not enabled, as described in note 38 to the financial statements. Based on our examination which included test checks, the new accounting software has a feature of recording audit trail (edit log) facility and the same has operated from February 04, 2024 for all relevant transactions recorded in the software except that, audit trail feature is not enabled for certain changes made, if any, using privileged/ administrative access rights. Refer note 38 to the financial statements for details. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with, in respect of new accounting software where the audit trail has been enabled.

Re : Danfoss Systems Limited (formerly known as Eaton Fluid Power Limited) (the “Company”)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

(i)

(a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, plant and equipment.

(B) The Company has maintained proper records showing full particulars of intangibles assets.

(b) All Property, Plant and Equipment were physically verified by the management in the current year in accordance with a planned program of verifying them once in three years which is reasonable having regard to the size of the Company and the nature of its assets.

(c) The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the Company.

(d) The Company has not revalued its Property, plant and equipment (including Right-of-use assets) or intangible assets during the year ended March 31, 2024.

(e) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.

(ii)

(a) The inventory has been physically verified by the management during the year except for inventories lying with third parties. In our opinion, the frequency of verification by the management is reasonable and the coverage and procedure for such verification is appropriate. Discrepancies of 10% or more in aggregate for each class of inventory were not noticed on such physical verification. Inventories lying with third parties have been confirmed by them as at March 31, 2024.

(b) The Company has not been sanctioned working capital limits in excess of Rs. five crores in aggregate from banks or financial institutions during any point of time of the year on the basis of security of current assets. Accordingly, the requirement to report on clause 3(ii)(b) of the Order is not applicable to the Company.

(This space has been left blank intentionally)

(iii)

(a) During the year the Company has provided loans/ advances in the nature of loans to its employees as follows:

Annexure 2 referred to in paragraph 2(g) under the heading “Report on other legal and regulatory requirements” of our report of even date

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to financial statements of Danfoss Systems Limited (formerly known as Eaton Fluid Power Limited) (“the Company”) as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to these financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to these financial statements.

Meaning of Internal Financial Controls With Reference to these Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls With Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

27 Post employment benefits plans

The Gratuity scheme is a defined benefit plan that provides for a lump sum payment made on exit either by way of retirement, death, disability or voluntary withdrawal. Under the gratuity plan, every employee who has completed five years or more of service gets a gratuity on departure at 15 days last drawn salary for each completed year of service (22 days of last drawn salary if the employee has completed 10 years of service). Due to the nature of the plan, the risks commonly affecting the liabilities and the financial results are expected to be:

Interest rate risk : The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.

Salary Inflation risk : Higher than expected increases in salary will increase the defined benefit obligation

Demographic risk : This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends upon the combination of salary increase, discount rate and vesting criteria. It is important not to overstate withdrawals because in the financial analysis the retirement benefit of a short career employee typically costs less per year as compared to a long service employee.

The following tables summarise the components of net benefit expense recognised in the Statement of profit and loss, the funded status, amounts recognised in balance sheet and in other comprehensive income.

Statement of profit and loss

Net employee benefit expense on account of gratuity recognized in the statement of profit and loss:

Particulars	March 31, 2024	March 31, 2023

Net interest expense/(income):

Particulars	March 31, 2024	March 31, 2023
Interest cost	10.33	9.01
Interest income on plan assets	(11.51)	(9.88)
Net interest expense/(income)	(1.18)	(0.87)

Balance Sheet

Benefit asset/(liability):

Particulars	March 31, 2024	March 31, 2023
Present value of defined benefit obligation	(123.66)	(151.60)
Fair value of plan assets	174.01	161.11
Plan assets/(liability)	50.35	9.51

Changes in the present value of the defined benefit obligation are as follows

Particulars	March 31, 2024	March 31, 2023
Opening defined benefit obligation	151.60	156.66
Current service cost	11.23	10.48
Interest cost	10.33	9.01
Actuarial (gains)/ losses on obligation experience	(9.17)	9.93
Actuarial (gains)/ loss due to DBO assumption changes	(27.93)	1.52
Benefits paid directly by the Company	(12.40)	(3.80)
Benefits paid from plan assets	-	(32.20)
Closing defined benefit obligation	123.66	151.60

Danfoss Systems Limited

27 Post employment benefits plans (continued)

Changes in the fair value of plan assets are as follows:

Particulars	March 31, 2024	March 31, 2023
Opening fair value of plan assets	161.11	152.62
Interest income on plan assets	11.51	9.88
Contributions by employer	1.98	30.85
Return on plan assets greater/(lesser) than discount rate	(0.59)	(0.04)
Benefits paid from plan assets	-	(32.20)
Closing fair value of plan assets	174.01	161.11

The major categories of plan assets as a percentage of the fair value of total plan assets are as follows:

Nature of plan assets	March 31, 2024	March 31, 2023
Investments with insurer	100%	100%

Amount recognised in Balance Sheet, Profit and Loss account and statement of other comprehensive income (OCI):

Particulars	March 31, 2024	March 31, 2023
Defined benefit obligation	123.66	151.60
Fair value of Plan assets	174.01	161.11
(Deficit)/ surplus	50.35	9.51
Current service cost	11.23	10.48
Remeasurements recognised in OCI	(36.51)	11.50

The principal assumptions used in determining gratuity obligations for the Company's plan are shown below:

Particulars	March 31, 2024	March 31, 2023
Discount rate	7.00%	7.10%
Expected rate of increment in compensation levels for year and thereafter	6.50%	9.50%

Employee turnover	March 31, 2024	March 31, 2023
Age		
Between 21-30 years	1%	13%
Between 31-34 years	2%	8%
Between 35-54 years	2%	5%
Above 55 years	3%	4%

The estimates of future salary increases, considered in actuarial valuation, take account of price inflation, regular increments and promotions and other relevant factors, such as supply and demand in the employment market.

The overall expected rate of return on assets is determined based on the market prices prevailing on that date, applicable to the period over which the obligation is to be settled. There has been significant change in expected rate of return on assets due to change in the market

A quantitative sensitivity analysis for significant assumption as at March 31, 2024 and March 31, 2023 is as shown below:

Particulars	Sensitivity level	Impact on defined benefit obligation	
		March 31, 2024	March 31, 2023
Discount rate	0.5% increase	(4.92)	(5.99)
	0.5% decrease	5.32	6.45
Future salary increase	0.5% increase	5.33	6.28
	0.5% decrease	(4.97)	(5.90)
Withdrawal rate	5% increase	0.21	(8.74)
	5% decrease	(0.37)	15.32

Method used for sensitivity analysis: The sensitivity results above determine their individual impact on the Plan's end of year Defined benefit obligation. In reality, the plan is subject to multiple external experience items which may move the Defined Benefit Obligation in similar or opposite directions, while the plan's sensitivity to such changes can vary over time.

35 Financial risk management objectives and policies

The Company's principal financial liabilities comprise trade and other payables and borrowings. The main purpose of these financial liabilities is to finance the Company's operations and to support its operations. The Company's principal financial assets include loans, trade and other receivables and cash and cash equivalents that derive directly from its operations.

The Risk Management policies of the Company are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below.

a. Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and currency risk.

The sensitivity analysis in the following sections relate to the position as at March 31, 2024 and March 31, 2023.

Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company has certain financial assets and financial liabilities in foreign currencies which expose the Company to foreign currency risks.

Foreign currency sensitivity

To manage the foreign currency risk arising from recognised assets and liabilities, the Company used forward covers to hedge the risk of fluctuation in some cases as and when required. The following tables demonstrate the sensitivity to a reasonably possible change in USD, EURO, JPY, SGD and CNY exchange rates, with all other variables held constant. The impact on the Company's profit before tax is due to changes in the fair value of monetary assets and liabilities.

Currency	%Change in Foreign Currency rate	Impact on profit before tax	
		March 31, 2024	March 31, 2023
USD	5% increase	(0.28)	(0.20)
	5% decrease	0.28	0.20
EURO	5% increase	(0.01)	(0.01)
	5% decrease	0.01	0.01
JPY	5% increase	(0.11)	(0.00)
	5% decrease	0.11	0.00
SGD	5% increase	(0.01)	(0.04)
	5% decrease	0.01	0.04
CNY	5% increase	-	(0.01)
	5% decrease	-	0.01

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company does not have significant exposure to the risk of changes in market interest rates as the short term borrowings are obtained at fixed interest rates from a related party.

35 Financial risk management objectives and policies (continued)

b. Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk primarily from trade receivables, other receivables, loans and deposits with banks.

Trade receivables

Senior management is responsible for managing and analysing the credit risk for each of their new clients before standard payment, delivery terms and conditions are offered. The Company assess the credit quality of the customer, taking into account its financial position, past experience and other factors. Individual risk limits are based on internal and external assessment. The utilisation of credit limits is regularly monitored. In accordance with Ind AS 109, the Company uses expected credit loss model to assess the impairment loss or gain. The Company follows simplified approach for recognition of impairment loss allowance on Trade receivable.

Financial instruments and cash deposits

Credit risk on cash and cash equivalents is limited as the Company generally invest in deposits with banks with high credit ratings.

c. Liquidity risk

Liquidity risk is the risk that the Company may encounter difficulty in meeting its present and future obligations associated with financial liabilities that are required to be settled by delivering cash or another financial asset. The Company's objective is to, at all times to maintain optimum levels of liquidity to meet its cash and other obligations. The Company requires funds both for short term operational needs as well as for long term investment programs such as investment in property plant and equipments. The Company closely monitors its liquidity position and deploys a robust cash management system. It aims to minimise these risks by generating sufficient cash flows from its current operations, which in addition to the available cash and cash equivalents and sufficient committed fund facilities, will provide liquidity.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

36 Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise shareholder's value. The Company manages its capital and makes adjustments to it in light of the changes in economic and market conditions.

The Company monitors capital using a gearing ratio. The gearing ratio is calculated as net debt divided by total capital. Net debt is calculated as total borrowings less cash and cash equivalents. Total capital is calculated as equity as shown in the balance sheet plus all other equity reserves attributable to equity holders of the Company.

	As at March 31, 2024	As at March 31, 2023
Borrowings	350.66	663.61

No changes were made in the objectives, policies or processes for managing capital during the years ended March 31, 2024 and March 31, 2023.

- 37** With effect from August 5, 2022, the Ministry of Corporate Affairs (MCA) has amended the Companies (Accounts) Rules, 2014, relating to maintenance of electronic books of account and other relevant books and papers. Pursuant to this amendment, the Company is required to maintain the books of account which are accessible in India at all times and their backup is to be kept on servers located in India on a daily basis.

The Company has migrated from Oracle R12 to SAP HANA accounting software during the year. Proper books of accounts with respect to both the accounting softwares are maintained by the Company in electronic mode and are accessible in India at all times as required by law. However, the servers in which backups are maintained are not physically located in India. The Company will take appropriate measures to comply with the regulations.

- 38** The Company has migrated from Oracle R12 to SAP HANA accounting software during the year. The audit trail feature in respect of the Oracle R12 is not enabled. The Company has used accounting software SAP HANA which has a feature of recording audit trail (edit log) facility and the same has operated from February 04, 2024 for all relevant transactions recorded in the software, except that audit trail feature is not enabled for certain changes made using privileged/ administrative access rights to the SAP HANA application and the underlying HANA database. Further no instance of audit trail feature being tampered with was noted in respect of accounting software SAP HANA where the audit trail has been enabled.

Additionally, to mitigate the risks, the Company has a security monitoring process via Security Information and Event Management (SIEM) solution and have engaged a Security Operation Center.

- 39** The Company had incurred expenditure in the nature of power, utilities maintenance, travelling and conveyance, administrative services etc against which proportionate cost of INR 5.13 millions (March 31, 2023: INR 5.29 millions) was charged to other Group entities based on Memorandum of Understanding between the companies.
- 40** Based on the agreement between the Company and other Danfoss Group companies, Companies have charged a sum for providing information technology support services, global support services, transition support services, corporate finance support services and other services, etc.
