## Pricing Terms and Effectivity

This price guide is effective beginning **1 January 2026** and until a revised price guide is published (expected **July 2026**).

The pricing shown in this price guide represents the list price which is also the maximum recommended sales price to end-users with Turbocor® compressors installed.

Compressor surcharges (e.g., tariff, exchange rate) and shipping costs are not included in the below pricing. Prices are subject to change at any time. All sales are governed by Danfoss' General Terms and Conditions of Sale. Please contact your Account Manager for current pricing and regional terms.

Prices are for units of one (1) each, unless otherwise specified.

Please refer to Danfoss Drives organization for pricing of Danfoss Drives spare parts.

Sales of items in this price guide are valid for established OEMs and Service Partners and not available to the general public. For a list of valid OEMs and Service Partners please visit <http://turbocor.danfoss.com>.

### Quick access to Danfoss Turbocor® compressor troubleshooting.

The new version of the **Danfoss TurboTool® 2.0** app for all your full service Danfoss Turbocor® compressor needs.

**24/7**

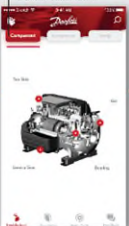

Access to Danfoss Turbocor® compressor troubleshooting on site

Download the 2.0 app today!

Scan to download app

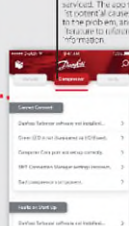

The TurboTool app makes it easy for you to solve all troubleshooting issues on Danfoss Turbocor® compressors.

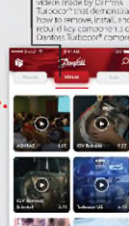

You no longer need to keep the masses of pages of printed open and training manuals. All the required information is at your fingertips on your smart device.

The user can select from a list of symptoms in the app that match his or her current problem. The app will then recommend a course of action to solve the problem, and provide further information for further diagnosis.

With the app you can access videos made by Danfoss Turbocor® that demonstrate how to remove, install, and mount key components on Danfoss Turbocor® compressors.

The app provides the correct locating parameters for key components that need to be kept reference documents on hand.
