Select Coolselector 2 and click Uninstall.

The screenshot shows the Windows Control Panel window for "Programs and Features". The title bar reads "Control Panel > Programs > Programs and Features". The main heading is "Uninstall or change a program". Below this, there is a table of installed programs. The "Uninstall" button in the Organize menu is highlighted with a red box. The "Coolselector 2" entry in the table is also highlighted with a red box. Below the table, the details for "Coolselector 2" are shown, including the Danfoss logo, publisher name "Danfoss A/S", and product version "1.00".

Name	Publisher	Installed On	Size
