## The CO<sub>2</sub> MiniPack Solution

The CO<sub>2</sub> MiniPack Solution makes it easy for the owners of small format stores to harness the benefits of CO<sub>2</sub>. By combining five 100% compatible products into a single solution, the CO<sub>2</sub> MiniPack Solution delivers several key benefits:

- CO<sub>2</sub> made easy: fast setup and installation, even without extensive CO<sub>2</sub> know-how
- Compact and reliable: a small system footprint, designed to be fully serviceable
- Complete and convenient: five compatible products in a single solution for complete application control
- Reduced operational costs: optimal energy efficiency and pack security while keeping food safety in focus
