

DrivePro® Extended Warranty – for a maintenance budget you can count on

Given the rigors and challenges faced in today's facilities, even the best-performing AC drives need protection. The reliability of Danfoss products ensures maximum uptime. And, when combined with DrivePro® Extended Warranty, unplanned expenses are eliminated.

Reduce downtime

With a DrivePro® Extended Warranty agreement, you can improve productivity. Achieve typically 60% downtime reduction due to direct support. Your plant is up and running faster after an unscheduled shutdown – a concrete productivity boost you will register on the bottom line.

Longest coverage

Get the longest coverage available in the industry, with up to six years warranty coverage.

Peace of mind

If you experience a breakdown, you can be sure your drive will be repaired or replaced fast, at little or no cost. You have a single point of contact at Danfoss who coordinates everything required.

Know your budget

You know the annual cost of maintaining your drives, up to six years in advance. This predictability gives you a strong business case and a stable, reliable budget.

Stay calm. You're covered

All DrivePro® services offer the comfort of knowing Danfoss Drives takes responsibility for supporting its AC drives products well into the future:

- Industry's longest warranty coverage, up to six years
- Spare parts support for up to 10 years beyond discontinuation of a product line
- 24/7 delivery
- One call, one single point of contact
- Certified factory and local technicians
- Original equipment replacement parts

Up to
6 years
warranty coverage

Feature	Benefit
Coverage up to six years	<ul style="list-style-type: none"> – Predictable long-term business case – Ensure maximum uptime with ongoing fast reaction time

Fixed price	<ul style="list-style-type: none"> – Save costs – Avoid unexpected cost for emergency drive support
One contact person	<ul style="list-style-type: none"> – One call, one single point of contact – Save time and ensure a fast response – Avoid complexity
Genuine spare parts	<ul style="list-style-type: none"> – World's most reliable drive components, with TS 16949 approval – 100% compatibility and durability – Best protection for your other equipment

Coverage

DrivePro® Extended Warranty prolongs the standard warranty for selected products. Warranty duration of 2-6 years is available.

The extended warranty covers material and labour, even if the parts wear out under normal operation and proper environment.

Choose between two types of DrivePro® Extended Warranty:

1. Standard Extended Warranty provides:

- Repair at a Danfoss Drives workshop, or
- Shipment of a replacement product to the site

2. On-site Extended Warranty provides:

- Repair at the customer site, or
- Replacement at the customer site
