**Please go to Danfoss homepage:**

<https://www.danfoss.com>

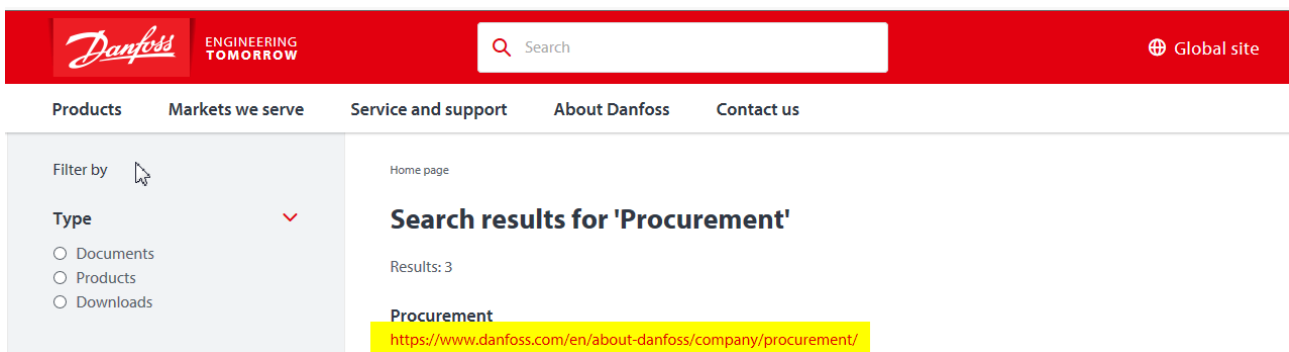

# Search field:

Add: **Procurement**

The screenshot shows the Danfoss website homepage. The search bar at the top contains the text 'Procurement'. The navigation menu includes 'Products', 'Markets we serve', 'Service and support', 'About Danfoss', and 'Contact us'. The main content area features the headline 'Danfoss – Engineering Tomorrow, today' and a sub-headline: 'Our uncompromising focus on quality, reliability and innovation allows us to help our customers create a more sustainable world by delivering smart and energy efficient products, services and solutions.' A red button below the text reads 'Read how we're Engineering Tomorrow'. To the right is a large image of a city skyline across a body of water.

Go to the link: **Procurement**

The screenshot shows the search results page for 'Procurement'. The search bar at the top contains the text 'Search'. The navigation menu includes 'Products', 'Markets we serve', 'Service and support', 'About Danfoss', and 'Contact us'. The main content area features a filter section on the left with 'Filter by' and 'Type' (Documents, Products, Downloads). The search results section shows 'Search results for 'Procurement'' and 'Results: 3'. A single result is listed: 'Procurement' with the URL <https://www.danfoss.com/en/about-danfoss/company/procurement/>.

## Procurement section

Click on Supplier requirements link:

### **Supplier requirements**

We expect our suppliers to uphold world-class quality systems that comply with IATF 16949 to be globally sustainable and move towards a zero-defect mindset.

Go down the page and find the section on:

## **Explore additional requirements**

Here you find the link to SNC, EDI and ERS

### **SNC, EDI and ERS**
