NOTICE OF THE MEETING

To the Members of Eaton Fluid Power Limited

Notice is hereby given that the Fifty-seventh Annual General Meeting of Eaton Fluid Power Limited (CIN: U29120PN1965PLC015850) will be held on Friday, September 30, 2022 at 12.00 noon IST through Video Conferencing ('VC') / Other Audio-Visual Means ('OAVM') to transact the following business:

ORDINARY BUSINESS:

1. To receive, consider and adopt the Audited Financial Statements of the Company for the financial year ended March 31, 2022 together with the Auditor's Report and Board's Report thereon.
2. **Appointment of Anders Stahlschmidt as a director liable to retire by rotation**

To appoint Anders Stahlschmidt (DIN: 08005318), who retires by rotation as a Director and, in this regard, to consider and if thought fit, to pass the following resolution as **Ordinary Resolution**

"RESOLVED THAT, pursuant to the provisions of Section 152 and other applicable provisions of the Companies Act, 2013, Anders Stahlschmidt (DIN: 08005318), who retires by rotation at this meeting, offers himself for re-appointment be and is hereby re-appointed as Director of the Company."

SPECIAL BUSINESS:

3. **To ratify the remuneration of M/s. C.S. Adawadkar & Co., Cost Accountants, Pune as Cost Auditors for the financial year ending March 31, 2023:**

In this matter, to consider and, if thought fit, to pass, with or without modification(s), the following resolution as an **Ordinary Resolution**;

"RESOLVED THAT pursuant to the provisions of Section 148 and other applicable provisions, if any, of the Companies Act, 2013 and the Companies (Audit and Auditors) Rules, 2014 (including any statutory modification or re-enactment thereof for the time being in force), as amended from time to time, the Company hereby ratifies the remuneration of Rs. 3,00,000/- (Rupees Three Lakhs Only) exclusive of out of pocket expenses and applicable taxes payable to M/s. C.S. Adawadkar & Co., Cost Accountants, Pune who is appointed by the Board of Directors as Cost Auditors of the Company to conduct cost audit relating to cost records of the Company under the Companies (Cost Records and Audit) Rules, 2014 for the financial year ending March 31, 2023.

RESOLVED FURTHER THAT the Board of Directors of the Company (including any Committee thereof) be and is hereby authorized to take all such steps as may be necessary, proper and expedient to give effect to this resolution.

RESOLVED FURTHER THAT any of the Directors of the Company be and is hereby severally authorized to take all the steps to give effect to this resolution and to complete the required statutory formalities in this regard."

4. **To increase limits of Borrowing by INR 100 crores under section 180(1)(c) of the Companies Act, 2013**

To consider and, if thought fit, to pass the following Resolution as a Special Resolution:

"RESOLVED THAT in supersession of the earlier resolutions passed by the shareholders of the Company in this regard, and pursuant to the provisions of Section 180(1)(c) and other applicable provisions, if any, of the Companies Act, 2013, as amended from time to time, and the Articles of Association of the Company, the consent of the Members of the Company be and is hereby accorded to the Board of Directors of the Company (hereinafter referred to as the "Board" which term shall be deemed to include any committee thereof) for borrowing an amount not exceeding INR 100 crores over and above the existing borrowing limit of INR 118.3 crores, which was approved vide postal ballot on 13th May 2021 and through Extra-ordinary General Meeting held on 25th February 2014, as and when required in one or more tranches on such terms and conditions and with or without security as may be considered suitable by the Board for meeting the purpose of funding the business activities.

RESOLVED FURTHER THAT any of the Directors of the Company be and is hereby authorized to take all necessary steps to give effect to this resolution and to complete the required statutory formalities in this regard."

NOTES:

1. In view of the outbreak of the COVID-19 pandemic, the Ministry of Corporate Affairs ("MCA") has, vide its General Circular No. 14/2020 dated 8th April, 2020, General Circular No.17/2020 dated 13th April, 2020, General Circular No. 20/2020 dated 5th May, 2020, General Circular No.02/2021 dated 13th January, 2021 and General Circular 2/2022 dated 5th May 2022 (collectively referred to as "MCA Circulars"), permitted the holding of the Annual General Meeting ("AGM") through Video Conferencing ("VC") or Other Audio Visual Means ("OAVM"), without the physical presence of the Members at a common venue. In compliance with the provisions of the Companies Act, 2013 ("the Act"), and MCA Circulars, the 57th (Fifty Seventh) AGM of the Company is being held through VC / OAVM.
2. The Explanatory Statement pursuant to Section 102(1) of the Companies Act, 2013 ("the Act"), setting out the material facts relating to special businesses to be transacted at the 57th Annual General Meeting ("AGM"), as set out in this Notice is annexed hereto.
3. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013. Members can attend and participate in the AGM through VC/OACM only.
4. Members are requested to note that the Company's equity shares are under compulsory demat trading for all investors, subject to the provisions of the Companies (Prospectus and Allotment of Securities) Third Amendment Rules, 2018 dated 10.09.2018. Members are, therefore, requested to dematerialise their shareholding to avoid inconvenience.
5. Members holding shares in dematerialized mode are requested to intimate all changes pertaining to their bank details, ECS mandates, email addresses, nominations, power of attorney, change of address/name etc. to their Depository Participant (DP) only and not to the Company or its Registrar and Transfer Agent. Any such changes effected by the DPs will automatically reflect in the Company's subsequent records.
6. Members of the Company holding shares either in physical form or in electronic form as on the cut-off date of Friday, September 23, 2022 may cast their vote by remote e-Voting. The remote e-Voting period commences on Tuesday, September 27, 2022 at 9.00 a.m. (IST) and ends on Thursday, September 29, 2022 at 5.00 p.m. (IST). The remote e-Voting module shall be disabled by Link Intime India Private Limited for voting thereafter. Once the vote on a resolution is cast by the Member, the Member shall not be allowed to change it subsequently. The voting rights of the Members (for voting through remote e-Voting before/ during the AGM) shall be in proportion to their share of the paid-up equity share capital of the Company as on the cut-off date of Friday, September 23, 2022.

7. CS Nital Tadphale, Practicing Company Secretary (FCS:11826, CP:20795) has been appointed as the Scrutinizer to scrutinize the remote e-voting process as well as the e-voting process at the AGM in a fair and transparent manner.
8. The Scrutinizer shall make, not later than 48 hours of the conclusion of the AGM, a consolidated scrutinizer's report of the total votes cast in favour or against, if any, to the Chairman or a Director authorized by him in writing, who shall countersign the same. The Chairman or the authorized Director shall declare the result of the voting forthwith.
9. The results declared along with the Scrutinizer's Report shall be uploaded on the Company's website given below after the same is declared by the Chairman/authorized person

<https://www.danfoss.com/en/about-danfoss/company/financial-information/>

10. In case of joint holders, the Members whose name appear first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
11. Pursuant to the provisions of the Companies Act, 2013, a Member entitled to attend and vote at the Annual General Meeting is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC/OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the Annual General Meeting and hence the Proxy Form, Map for address and Attendance Slip are not annexed to the Notice.
12. Institutional/Corporate Shareholders (i.e. other than individuals/HUF, NRI, etc) are required to send a scanned copy (PDF/JPEG Format) of its Board Resolution or governing body Resolution/Authorisation etc., authorising its representative to attend the Annual General Meeting through VC/OAVM on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer by email through their registered email address to csnitaltadphale@gmail.com with copies marked to the Company at ganapathy@danfoss.com and to its RTA at instameet@linkintime.co.in
13. The Notice of the Annual General Meeting along with the Annual Report for the financial year 2021-22 is being sent only by electronic mode to those Members whose email addresses are registered with the Company/Depositories in accordance with the aforesaid MCA Circulars. Members may note that the Notice of Annual General Meeting and Annual Report for the financial year 2021-22 will also be available on the Company's website <https://www.danfoss.com/en/about-danfoss/company/financial-information/>. Members can attend and participate in the Annual General Meeting through VC/OAVM facility only.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013:

The Explanatory Statement in terms of the provisions of Section 102(1) of the Act, sets out all material facts relating to the Special Business mentioned in the accompanying Notice for convening the 57th (Fifty Seventh) Annual General Meeting ("AGM") of Eaton Fluid Power Limited on Friday, September 30, 2022 at 12.00 noon (IST):

Item 3:

The Board of Directors of the Company, at its meeting held on September 6, 2022, based on recommendations of the Audit Committee, has appointed M/s. C.S. Adawadkar & Co, Cost Accountants, Pune (Firm Registration Number: 100401), as the "Cost Auditors" of the Company for the Financial Year 2022-23, pursuant to Section 148 and other applicable provisions of the Act, the Companies (Audit and Auditors) Rules, 2014 and the Companies (Cost Records and Audit) Rules, 2014. Pursuant to Rule 14 of the Companies (Audit and Auditors) Rules, 2014, the remuneration of Rs. 3,00,000/- (Rupees Three Lakhs Only), exclusive of out of pocket expenses and applicable taxes payable if any, payable to the Cost Auditors, as recommended by the Audit Committee and approved by the Board of Directors, shall require subsequent ratification by the Shareholders.

Based on the certification received from the Cost Auditors, it may be noted that:-

- i. the Cost Auditors do not suffer from any disqualifications as specified under Section 141(3) of the Act;
- ii. their appointment is in accordance with the limits specified in Section 141(3)(g) of the Act;
- iii. none of their Partners is in the whole-time employment of any Company; and
- iv. they are an independent firm of Cost Accountants holding valid certificate of practice and are at arm's length relationship with the Company, pursuant to Section 144 of the Act.

None of the Directors / Key Managerial Personnel of the Company / their relatives is, in any way, concerned or interested, financially or otherwise, in the proposed Resolution.

The Board recommends the Ordinary Resolution set forth in Item No. 3 for approval of the Shareholders.

Item 4:

The Board of Directors of the Company at its meeting held on 6th September 2022 briefly discussed about increasing the borrowing limit Company.

The Board also noted that as per section 180(1)(c) of Companies Act 2013, if the company borrows any loan in excess the limits mentioned in the Section, approval of shareholders by the means of Special resolution is required.

As per the provisions of Section 180 of Companies Act 2013 read with other applicable provisions of the Act and applicable Rules, the Board of directors of the Company have already obtained the approval of shareholders by way of passing a special resolution for borrowing loan from any person or body corporate, provided that the amount borrowed does not exceed INR 118.3 crores. The Board now plans to increase the limit by a further INR 100 crores.

The Board recommends the resolution for acceptance by the members.

None of the Directors or the Key Managerial person or Manager or relatives are in any way concerned or interested in this resolution.

By Order of the Board of Directors

For Eaton Fluid Power Limited

Place: Chennai

Date: 7th September 2022

BOARD'S REPORT

To the Members,

The Directors are pleased to present the 57th Annual Report of the Company along with the audited financial statements for the financial year ended March 31, 2022.

1. Financial results

Rupees in million

Particulars	2021-22	2020-21
Revenue	4,564.58	3,651.97
Other income	37.82	44.50
Total Income	4,602.38	3,696.47
Expenses		
Operating expenditure	4,113.13	3,348.16
Depreciation and amortization expense	92.61	93.66
Total expenses	4,205.74	3,441.82
Profit before finance costs and tax	396.64	254.65
Finance costs	75.43	76.36
Profit before tax (PBT)	321.22	178.29
Tax expenses	52.68	32.51
Profit/ (Loss) for the year	268.54	145.78
Total comprehensive income for the year	255.36	143.83
Attributable to:		
Shareholders of the Company		
Non-controlling interests		
Opening balance of retained earnings	283.66	139.83
Closing balance of retained earnings	539.02	283.66

2. Result of Operations and the State of Company's affairs

During the year under review, the Company's total revenue grew by 25% to ₹ 4,564.58 million compared to ₹ 3,651.97 million in the previous year. Profit before tax and exceptional items grew by 80.17% to ₹ 321.22.

The strong revenue growth is mainly attributable to strong post pandemic recovery during the financial year, on end markets and economy at large and improvement in business performance.

3. Annual General Meeting

The Annual General Meeting for the financial year ended March 31, 2021 was held on 24th November, 2021 through Video Conferencing ('VC') / Other Audio-Visual Means ('OAVM').

4. Dividend

The directors do not recommend any dividend.

5. Transfer to reserves

The Company is not proposing any transfer to the General Reserve for the financial year 2021-22.

6. COVID-19

The world is facing the COVID-19 pandemic situation which has developed rapidly into a global crisis, this has necessitated the Central and State Governments in India to enforce lock-downs measures in the countries. With Covid-19 again at its peak in 2022, the world experienced constrained human activities that led to shrinkage of global economy. With increased vaccination drives and reduction in cases, the lockdown restrictions were eased out in a phased manner and partial normalcy resumed in the second quarter. We ensured that our employees are provided with all the means to fight this pandemic situation so that our deliveries and servicing to the customers worldwide is not adversely impacted. With the experience, most of our office employees again started working from home and we started working our manufacturing plants partially as per the government directives. We strictly implemented all the lockdown and partial operations related directives of the government and ensured that all the safety measures like social distancing, use of masks, protective shields, barricading, sanitization and disinfection of plant and other areas, temperature monitoring and tracking etc. are implemented at our offices and manufacturing plants. With the strong support from the local and global Eaton management, these efforts have reinforced customer confidence in our company, and we are continuing serving our customers. Although our operations and operations of our customers and suppliers are adversely impacted due to this pandemic situation and slowdown in the economic activity, we are confident that this situation will improve soon, and various timely measures taken by the Management to deal with this

difficult situation will start showing the favorable results. There was no significant impact on assets, including property, plant and equipment, receivables, inventories etc. due to Covid-19 during FY 2021-22.

7. Eaton's shareholding

On January 21, 2020, Eaton Corporation Plc. (Ultimate Holding Company) executed a Stock and Asset Purchase Agreement to sell the Hydraulic business to Danfoss A/S, a Danish industrial company. As a part of this global agreement, shares of Eaton Fluid Power Limited (the Hydraulic business entity of Eaton Corporation in India) has been sold by ETN Holding 2 Limited (52.61%) and Eaton Technologies Private Limited (45%) to Danfoss Fluid Power Private Limited (step-down subsidiary of Danfoss International A/S, Denmark) on 2nd August 2021. Consequently, 97.61% of the shares of the Company is now held by Danfoss Fluid Power Private Limited (Member of Danfoss Group). Accordingly, there has been change in major shareholders of the company during the year.

8. Extract of annual return

Pursuant to amendment made on 28th August 2020 in the section 92 (3) of the Companies Act, 2013 and Rule 12 (1) of the Companies (Management and Administration) Rules, 2014, extract of annual return in MGT 9 is not required to be attached.

The annual return will be uploaded on <https://www.danfoss.com/en/about-danfoss/company/financial-information/> this website after the same is uploaded on mca.gov.in as it contains information pertaining to ensuing Annual General Meeting.

9. Number of meetings of the Board

Four meetings of the Board were held during the year under review and the gap between two meetings did not exceed one hundred and twenty days:

During the Financial Year 2021-22, Mr. Sachit Nayak ceased to be the member of the Nomination and Remuneration, Corporate Social Responsibility, Audit Committee and Stakeholders Relationship committee due to resignation from the position of Director of the Company effective from August 2, 2021 and Mr. Ravichandran Purushothaman appointed as a member of the committee in the Board Meeting held on August 3, 2021 upon his appointment as Additional Director of the Company effective from August 2, 2021.

17. Directors Responsibility Statement

Your Directors state that:

- a. in the preparation of the annual accounts for the year ended March 31, 2022, the applicable accounting standards read with requirements set out under Schedule III, have been followed and there are no material departures from the same;
- b. the Directors have selected such accounting policies and applied them consistently and made judgements and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at March 31, 2022 and of the profit of the company for the year ended on that date;
- c. the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- d. the Directors have prepared the annual accounts on a going concern basis and;
- e. the Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

18. Statement of declaration given by independent directors

The Company has received necessary declaration from each independent director under Section 149(7) of Companies Act, 2013 that the director meets the criteria of independence laid down in Section 149(6) of Companies Act, 2013.

19. Company's policy on Directors' appointment and remuneration [Sec. 178(3)]

Section 178 of the Companies Act, 2013 ('the Act') requires the Nomination and Remuneration Committee to formulate a Policy relating to the remuneration of the Directors, Key Managerial Personnel (KMP), Senior Management and other employees of the Company and recommend the same for approval of the Board of Directors of the Company. Further, Section 178(4) of the Act stipulates that the policy shall be disclosed in the Board Report. Moreover, Section 134 of the Act stipulates that the Board's Report shall include a statement on Company's Policy on directors' appointment and remuneration including criteria for determining qualifications, positive attributes, independence of director and remuneration for key managerial personnel and other employees.

The Company's Remuneration Policy for Directors, Key Managerial Personnel and other employees is attached as **Annexure A** to this report.

20. Statutory Auditors

The Company has appointed M/s. S R B C & CO LLP, Chartered Accountants (ICAI Firm Registration Number 324982E / E300003) statutory auditors for a period of 5 years to hold office till the conclusion of the 59th Annual General Meeting.

21. Explanation or comments on qualifications, reservations or adverse remarks or disclaimers made by the statutory auditors in their reports

No qualifications, reservations, adverse remarks or disclaimers made by the statutory auditors in their report.

22. Details in respect of frauds reported by auditors under sub-section (12) of section 143 other than those which are reportable to the Central Government

During the year under review, there were no frauds reported by the statutory auditors to audit committee or the Board of Directors of the Company under Section 143(12) of the Companies Act, 2013.

23. Maintenance of cost records

The Company is required to maintain cost records as specified by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013 and accordingly such accounts and records are made and maintained.

24. Cost Auditors

Your Company has appointed M/s. C.S. Adawadkar & Co., Cost Accountants as Cost Auditors of the Company for the financial year 2022-23 at the remuneration of Rs. 3,00,000/- (Rupees Three Lakhs only) which is subject to the approval of members in ensuing Annual General Meeting.

25. Secretarial Auditors

Pursuant to the provisions of Section 204 of the Companies Act, 2013 and Rules made thereunder, the Company has appointed M/s. DVD & Associates, Company Secretaries to

undertake the Secretarial Audit of the Company. Secretarial Audit Report for the financial year 2021-22 issued in the prescribed form MR-3 is annexed to this Report.

No qualifications, reservations, adverse remarks or a disclaimer made by the Secretarial Auditors in their report.

26. Particulars of loans, guarantees or investments under Section 186 of the Companies Act, 2013

The Company has not given any loans, guarantees and investments covered under Section 186 of the Companies Act, 2013.

27. Contracts and Arrangements with related parties

No contracts or arrangements or transactions were entered during the financial year ended March 31, 2022 which were not at Arm's Length Basis. During the financial year ended March 31, 2022, all the transactions entered with related parties were in ordinary course of business and at Arm's Length.

The Report of the Board of Directors of the Company contains the following information and details namely:

28. Material changes and commitments between the date of the balance sheet and the date of report: No material changes

29. CONSERVATION OF ENERGY

Energy conservation measures taken

- Process cycle time optimization for Movac Machine has saved 23536 kWh¹ Units
- Rock shaft Control valve new test stand installation with optimized cycle time has reduced 255238 kWh Units
- SV5 & Gear Pump Test stand cycle time optimization has reduced 15600 kWh units.

¹ A kilowatt hour (kWh) is a measure of how much energy you're using per hour, whilst a kW is a measure of power. kW stands for kilowatt, a universal standard for measuring electricity.

- Maintained unity power factor for throughout the year. This has saved 2.08 Lacs kVAh² units/year
- 409 kWp³ Solar Power plant (Roof Top and Ground Mounted) installation has generated 597634 kWh Green energy in Year 2021-22 and exported 27610 kWh Units to Maharashtra State Electricity Distribution Company Limited ('MSEDCL') Grid.
- Active harmonics Filters are installed in the power circuit to improve the power quality and reduce the power losses due to harmonics present in the system

Additional Investments and proposal, if any, being implemented for reduction in consumption of energy

- LED Lights installation in the Admin building office all floors to reduce the energy consumption.
- Installation of VFD drive for the CM11 hydraulic test stand

TECHNOLOGY ABSORPTION

- The Company has initiated transition to "One ERP system" from the multiple legacy ERPs in use currently. This will help in better control and flow of data and process within the organization and seamless integration with other group companies in Danfoss environment.

30. Foreign exchange earnings and outgo

The Foreign Exchange earned in terms of actual inflows during the year and the Foreign Exchange outgo during the year in terms of actual outflows are as follows:

Earnings in foreign currency:	INR 1,010.13 million
Expenditure in foreign currency:	INR 1,911.73 million

² In kVAh based billing, fixed/ demand charges are levied on apparent power (kVA) and energy charges are levied on apparent energy (kVAh). In future, energy charges will be levied based on this apparent energy (kVAh) consumption which eliminates requirement of charging active and reactive energy separately.

³ kWp is the peak power of a PV system or panel. Solar panel systems are given a rating in kilowatts peak (kWp) which is the rate at which they generate energy at peak performance, such as on a sunny day in the afternoon.

31. Statement indicating development and implementation of a risk management policy for the Company including identification therein of elements of risk, if any, which in the opinion of the Board may threaten the existence of the Company

The Company has instituted adequate internal controls and processes to have cohesive view of risk identification, optimal risk mitigation responses and efficient management of internal control and assurance activities. In the opinion of the Board, there are no risks which may threaten the existence of the Company.

32. Corporate Social Responsibility

The Corporate Social Responsibility Committee has formulated and recommended to the Board of Directors of the Company, a Corporate Social Responsibility Policy (CSR Policy) indicating the activities to be undertaken by the Company, which has been approved by the Board of Directors of the Company.

The brief outline of the Corporate Social Responsibility (CSR) Policy of the Company and the initiatives undertaken on CSR activities during the year are set out in **Annexure B** of this report in the format prescribed in the Companies (Corporate Social Responsibility Policy) Rules, 2014.

33. Directors and Key Managerial Personnel

Mr. Sachit Nayak and Mr. Nilesh Dharwadkar have resigned from the post of director w.e.f. 2nd August 2021.

Mr. Prasanna Kumar Guttahalli (DIN: 08873121) has resigned from the position of the Managing Director of the Company effective from August 2, 2021.

Following directors have been co-opted as Additional Directors on the Board vide board resolution dated August 2, 2021 & August 3, 2021. Subsequently, they have been appointed as directors of the Company at the 56th Annual General Meeting held on November 24, 2021 with approval of shareholders:

1. Ravichandran Purushothaman - (DIN: 06584433)
2. Torben Jessen Christensen - (DIN: 08005313)
3. Anders Stahlschmidt - (DIN: 08005318)
4. Prasanna Kumar GN - (DIN: 08873121)

In accordance with the provisions of the Act and the Articles of Association of the Company, Anders Stahlschmidt (DIN: 08005318) Director of the Company, retires by rotation at the ensuing Annual General Meeting and the Board of Directors recommend his reappointment.

Post closure of the financial year as on 31st March 2022, there have been no change in the composition of Board.

34. The names of companies which have become or ceased to be its subsidiaries, joint ventures or associate companies during the year:

The following companies ceased to be shareholders of the company during the Financial Year

Sl. No.	Name
1	ETN Holding 2 Limited, Mauritius
2	Eaton Technologies Private Limited, India

37. Particulars of employees

No additional information is required to be disclosed under sub-rule (2) of Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 as amended from time to time.

38. Secretarial Standards

The Company is in compliance with the Secretarial Standards issued by the Institute of Company Secretaries of India.

39. Status of corporate insolvency resolution process, if any, initiated under insolvency and bankruptcy code, 2016: Nil

40. Status of corporate actions during the year, if any: Nil

41. Disclosure under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

The Company has in place an Anti-Sexual Harassment Policy in line with requirements of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013. All employees (permanent, contractual, temporary, trainees) are covered under this policy. Internal Complaints Committee(s) (ICC) has been set up across all its location in India to redress complaints received regarding sexual harassment. The cases, if any, reported to such Committee(s) are investigated by the respective Committee(s) members and the detailed report thereon is presented to the Board of Directors of the Company on a regular basis. The Board of Directors of the Company confirms that one case of sexual harassment was filed and disposed off during the year under review in the Company. The Board of Directors of the Company confirms that as at March 31, 2022, there were no pending cases of sexual harassment in the Company.

<<This space has been left blank intentionally>>

42. Acknowledgement

Your Directors would like to express their sincere appreciation for the assistance and co-operation received from the banks, Government authorities, customers, vendors and members during the year under review. Your Directors also wish to place on record their deep sense of appreciation for the committed services by the Company's executives, staff and workers.

Nomination & Remuneration Policy

The Board of Directors of Eaton Fluid Power Limited (the Company), in view of enforcement of Companies Act, 2013 read with rules framed thereunder designated the Remuneration Committee as "Nomination and Remuneration Committee" at the Meeting held on August 24, 2018 with immediate effect.

The Nomination and Remuneration Committee and this Policy shall be in compliance with Section 178 of the Companies Act, 2013 read along with the applicable rules thereto.

1. DEFINITIONS

Board means Board of Directors of the Company.

Key Managerial Personnel shall have the same meaning as given in Section 203 of the Companies Act, 2013 read with rules framed thereunder.

Senior Management shall mean personnel of the company (which include persons engaged as retainer or on contractual basis) and who are members of its core management team excluding Board of Directors, comprising all members of management one level below the executive directors, including the functional heads.

The words and definitions not described herein above shall have the respective meanings under the Acts and legislations governing the same.

2. TERMS OF REFERENCE/ROLE OF COMMITTEE

The Terms of Reference of the Committee shall be:

- a) To identify persons who are qualified to become Directors and who may be appointed in Senior Management in accordance with the criteria laid down, recommend to the Board their appointment and removal;
- b) To carry out evaluation of every director's performance;
- c) To formulate the criteria for determining qualifications, positive attributes and independence of a director;

- d) To recommend to the Board a policy relating to the remuneration of directors, key managerial personnel and other employees;
- e) To ensure that relationship of remuneration to performance in respect of Directors, Key Managerial Personnel and employees of Senior Management is clear and meets appropriate performance benchmarks.

3. RETIREMENT AGE OF DIRECTORS, KMP AND SENIOR MANAGEMENT PERSONNEL

The KMP and Senior Management Personnel shall retire as per the prevailing HR policy of the Company.

4. DECISION AND VOTING POWERS

All the decisions of the Committee shall be taken by a vote of majority. The Members of the Committee shall be entitled to vote and in case of equality, the Chairman of the Committee shall have a casting vote.

5. COMPOSITION OF COMMITTEE

The Committee shall comprise of at least three Non-Executive Directors, at least half of whom shall be Independent Directors. The Board may appoint the Chairperson of the Company whether executive or non-executive as member of this committee.

6. CHAIRPERSON

The Chairperson of the Committee shall be Non-Executive Director.

In the absence of the Chairperson, the members of the Committee present at the meeting shall choose one of the Non-Executive Directors amongst them to act as Chairperson.

The Chairperson of the Nomination and Remuneration Committee shall endeavor to be present at the Annual General Meeting.

7. MISCELLANEOUS

A member of the Committee is not entitled to be present when his or her own or his or her relative(s) remuneration is discussed at a meeting or when his or her or his or her relative(s) performance is being evaluated.

The Committee may invite Executive Directors, functional heads and outside experts, as it considers appropriate, to be present at the meetings of the Committee.

The Company Secretary of the Company shall act as Secretary of the Committee.

CSR Policy and Projects:

The Committee has formulated a CSR Policy indicating the activities to be undertaken by your Company as per the Companies Act, 2013. It reviews and recommends the amount of expenditure to be incurred on the activities to be undertaken by your Company in addition to monitoring the CSR Policy of your Company from time to time.

CSR Spend:

During the year, your Company has managed CSR activities through the implementing agency namely, Prime Ministers' Citizen Assistance and Relief in Emergency Situations Fund ('PM CARES'). Keeping in mind the need for having a dedicated fund with the primary objective of dealing with any kind of emergency or distress situation, like posed by the COVID-19 pandemic, and to provide relief to the affected, a public charitable trust under the name of 'Prime Minister's Citizen Assistance and Relief in Emergency Situations Fund (PM CARES Fund)' has been set up. PM CARES Fund has been registered as a Public Charitable Trust. The trust deed of **PM CARES Fund** has been registered under the Registration Act, 1908 at New Delhi on 27th March, 2020.

Your Company has made contribution to PM CARES fund in 2021-22 with projects concerning primary objectives including:

- To undertake and support relief or assistance of any kind relating to a public health emergency or any other kind of emergency, calamity or distress, either man-made or natural, including the creation or upgradation of healthcare or pharmaceutical facilities, other necessary infrastructure, funding relevant research or any other type of support.
- To render financial assistance, provide grants or payments of money or take such other steps as may be deemed necessary by the Board of Trustees to the affected population.
- To undertake any other activity, which is not inconsistent with the above Objects.

The details of the constitution of the fund are as follows:

- Prime Minister is the ex-officio Chairman of the PM CARES Fund and Minister of Defence, Minister of Home Affairs and Minister of Finance, Government of India are ex-officio Trustees of the Fund.
- The Chairperson of the Board of Trustees (Prime Minister) shall have the power to nominate three trustees to the Board of Trustees who shall be eminent persons in the field of research, health, science, social work, law, public administration and philanthropy.
- Any person appointed a Trustee shall act in a pro bono capacity.

The fund consists entirely of voluntary contributions from individuals/organizations and does not get any budgetary support. The fund will be utilised in meeting the objectives as stated above.

(b) Details of CSR amount spent against ongoing projects for the financial year:

The CSR activities of the Companies are carried out through implementing agency i.e. PM Cares Fund. For the Financial Year 2021-22, the Company has contributed its entire CSR obligation amounting to Rs. 2.60 Million to PM CARES Fund as mentioned above and therefore, had no obligation to transfer the amount to unspent CSR account as of March 31, 2022.

Following are the details of CSR amount spent by PM Cares Fund against ongoing projects for the financial year are broadly as follows:

- Ventilators to government hospitals run by the Central/ State/Union Territories (50,000 'Made in India' Ventilators);
- Funds allotted to the State and Union Territories ('UTs') for welfare of the migrants;

- Establishment of two 500 bedded makeshift COVID Hospitals in Muzaffarpur and Patna and 16 RT-PCR testing labs in 9 States/UTs
- Installation and operationalization of 162 Pressure Swing Adsorption (PSA) Medical Oxygen Generation Plants inside public health facilities;
- Procurement of 6.6 crore doses of COVID-19 vaccine;
- Funding of two of the Autonomous institute laboratories under Department of Biotechnology for upgradation as Central Drug Laboratory (CDL) for test and release of the batches of COVID-19 vaccine

Notes:

1. The Company has contributed Rs. 2.60 Million during the FY 2021-22 to PM Cares Fund, the aforementioned details shows the spent by PM Cares Fund for Trust activities and ongoing projects
2. The PM Cares Fund has voluntarily decided to open a separate bank account for unspent funds and is in a process of opening of Unspent CSR Bank Account and transfer of such unspent funds to that account.

**FORM NO. MR-3
SECRETARIAL AUDIT REPORT**

FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2022

Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the
Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members
Eaton Fluid Power Limited
145, Mumbai Pune Road,
Pimpri, Pune - 411 018

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate governance practices by Eaton Fluid Power Limited (Hereinafter called "the Company").

The Secretarial Audit was conducted for the period from April 1, 2021 to March 31, 2022, in a manner that provided us a reasonable basis for evaluating the corporate conducts / statutory compliances of the Company and expressing our opinion thereon. We have been engaged as Secretarial Auditors of the Company to conduct the Audit of the Company to examine the compliance of Companies Act and the laws specifically listed below.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on March 31, 2022, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2022 according to the provisions of the following list of laws and regulations:

(i) The Companies Act, 2013 (the Act) and the Rules made there under: The Company has satisfactorily complied with the provisions of the Companies Act, 2013 and the Rules made there under and there are no discrepancies observed by us during the period under review.

(ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made there under: The Company is an unlisted Company and therefore provisions of The Securities Contracts (Regulation) Act, 1956 ('SCRA') are not applicable.

(iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under:

The company is an unlisted public company and around 68,66,912 of the shares are in dematerialised form and the Company has complied with the provisions of The Depositories Act, 1996 and the Regulations and Bye-laws framed there under.

(iv) The Company has satisfactorily complied with the provisions of the Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings and there are no discrepancies observed by us during the period under review.

(v) The following Regulations and Guidelines (as amended from time to time) prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') :-

The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 and amendments from time to time; (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; (Not applicable to the Company during the audit period)

(a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 - Not Applicable

(b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015; - Not Applicable;

(c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 - Not Applicable;

(d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 - Not Applicable;

(e) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 - Not Applicable; and

(f) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 - Not Applicable;

(g) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client - Not Applicable;

(h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; - Not Applicable;

The Company is an unlisted Company and therefore provisions of Regulations and Guidelines mentioned above and prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') are not applicable.

I further report that, having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, the Company has complied with the following laws applicable specifically to the Company:

- a. Bureau of Indian Standards Act, 1986 read with the Bureau of Indian Standards rules, 1987
- b. Batteries (Management & Handling) Rule, 2001, Batteries (Management and Handling), Amendments Rules, 2010
- c. Environment (Protection) Act, 1986 and The Manufacture, Storage and Import of Hazardous Chemicals Rules, 1989
- d. Indian Wireless Telegraphy Act, 1933 & The Indian Wireless Telegraph Rules, 1973
- e. The Motor Vehicle Act, 1988 read with Central Motor Vehicle Rules, 1989
- f. Explosive Act, 1884 and Gas Cylinders Rules, 2004
- g. Petroleum Act, 1934 read with Petroleum Rules, 2002
- h. Legal Metrology Act, 2009 read with Maharashtra Legal Metrology (Enforcement) Rules, 2011

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India. The Company has duly complied with the Secretarial Standards as amended for the period under review.
- (ii) The Company being an unlisted Company the clauses of Listing agreement / SEBI (Listing Obligations and Disclosure Requirements), 2015 are not applicable.

We further report that :-

There are adequate systems and processes in the company commensurate with its size & operation to monitor and ensure compliance with applicable laws including general laws, labour laws, competition law and environmental laws.

The Board of Directors of the Company is duly constituted as required by Section 149 of the Companies Act, 2013. During the year under review there was changes in the Board of Directors and the same was carried out in compliance with the provisions of the Act.

Due to change in the composition of the Board of Directors, the Board has reconstituted the Audit Committee, Nomination and Remuneration Committee, Stakeholder Relationship Committee and Corporate Social Responsibility Committee properly in compliance with the provisions of the Act during the year under review.

Adequate notice is given to all directors about the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting for meaningful participation at the meeting. All decisions at Board Meetings were carried out unanimously as recorded in the minutes of the meetings of the Board of Directors

We further report that during the audit period no major decisions, specific events/ actions have occurred which has a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. except mentioned below:

In Compliance with the Stock and Asset Purchase Agreement entered by Eaton Corporation Plc. (Ultimate Holding Company) to sell the Hydraulic business to Danfoss A/S, a Danish industrial company, shares of Eaton Fluid Power Limited (the Hydraulic business entity of Eaton Corporation in India) has been sold by ETN Holding 2 Limited (52.61%) and Eaton Technologies Private Limited (45%) to Danfoss Fluid Power Private Limited (step-down subsidiary of Danfoss International A/S, Denmark) on 2nd August 2021. Consequently, 97.61% of the shares of the Company is now held by Danfoss Fluid Power Private Limited

INDEPENDENT AUDITOR'S REPORT

To the Members of Eaton Fluid Power Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Eaton Fluid Power Limited ("the Company"), which comprise the Balance sheet as at March 31 2022, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India,

including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events

in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended specified under section 133 of the Act;
 - (e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls with reference to these financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;
 - (g) In our opinion, the managerial remuneration for the year ended March 31, 2022 has been paid by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – refer note 31 to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv.
 - a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. No dividend has been declared or paid during the year by the Company.

ANNEXURE 1 REFERRED TO IN PARAGRAPH 1 UNDER THE HEADING “REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS” OF OUR REPORT OF EVEN DATE

Re: Eaton Fluid Power Limited (the “Company”)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- i.
 - a. The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
 - b. The Company has maintained proper records showing full particulars of intangible assets.
 - c. Property, Plant and Equipment have been physically verified by the management during the year and no material discrepancies were identified on such verification.
 - d. The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the Company.
 - e. The Company has not revalued its Property, Plant and Equipment (including Right of use assets) during the year ended March 31, 2022.
 - f. There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- ii.
 - a. The inventory has been physically verified by the management during the year except for inventories lying with third parties. In our opinion, the frequency of verification by the management is reasonable and the coverage and procedure for such verification is appropriate. Discrepancies of 10% or more in aggregate for each class of inventory were not noticed on such physical verification. Inventories lying with third parties have been confirmed by them as at March 31, 2022.
 - b. The Company has not been sanctioned working capital limits in excess of Rs. five crores in aggregate from banks or financial institutions during any point of time of the year on the basis of security of current assets. Accordingly, the requirement to report on clause 3(ii)(b) of the Order is not applicable to the Company.

- iii. a. During the year the Company has provided loans/ advances in the nature of loans to its employees as follows:

	Guarantees	Security	Loans	Advances in nature of loans
Aggregate amount granted/ provided during the year				
- Subsidiaries	Nil	Nil	Nil	Nil
- Joint Ventures	Nil	Nil	Nil	Nil
- Associates	Nil	Nil	Nil	Nil
- Others (employees)	Nil	Nil	0.50	1.49
Balance outstanding as at balance sheet date in respect of above cases				
- Subsidiaries	Nil	Nil	Nil	Nil
- Joint Ventures	Nil	Nil	Nil	Nil
- Associates	Nil	Nil	Nil	Nil
- Others (employees)	Nil	Nil	0.94	0.63

The Company has not provided any other loans, advances in the nature of loans, stood guarantee or provided security to companies, firms, Limited Liability Partnerships or any other parties other than those disclosed above.

- b. During the year, the terms and conditions of the grant of all loans and advances in the nature of loans, to its employees are not prejudicial to the Company's interest.
- c. The Company has granted loans and advance in the nature of loans during the year to its employees where the schedule of repayment of principal and payment of interest has been stipulated and the repayment or receipts are regular.
- d. There are no amounts of loans and advances in the nature of loans granted to employees which are overdue for more than ninety days.

- e. There were no loans or advance in the nature of loan granted to any other parties which was fallen due during the year, that have been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.

- iv. There are no loans, investments, guarantees, and security in respect of which provisions of sections 185 and 186 of the Companies Act, 2013 are applicable and accordingly, the requirement to report on clause 3(iv) of the Order is not applicable to the Company.

- v. The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.

- vi. We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Act, related to the manufacture of machinery and other components, and are of the opinion that prima facie, the specified accounts and records have been made and maintained. We have not, however, made a detailed examination of the same.
- vii. a. Undisputed statutory dues including goods and services tax, provident fund, employees' state insurance and income-tax have generally been regularly deposited with the appropriate authorities though there has been a slight delay in a few cases. According to the information and explanations given to us and based on audit procedures performed by us, no undisputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.
- b. According to the information and explanations given to us, there are no dues with respect to Goods and Service tax, duty of customs and cess which have not been deposited on account of any dispute. The dues of income-tax, sales-tax, service tax, duty of excise and value added tax on account of any dispute, are as follows:

Name of the Statute	Nature of Dues	Amount in (INR millions)	Period to which the amount relates	Forum where dispute is pending
The Central Excise Act, 1944	Cenvat credit not reversed on various items, including interest and penalty.	4.50	FY 1997-98, FY 2002-03 and 2003-04.	Appellate Tribunal
	Disallowance of Cenvat credit on Job work, canteen recovery etc., excluding interest and penalty, if any.	53.34	FY 2008-09 to 2012-13 and FY 2016-17	Appellate Tribunal

--	-------------------------------	--	--	--

- viii. The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.
- ix. a. The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- b. The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- c. Term loans were applied for the purpose for which the loans were obtained.
- d. On an overall examination of the financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company.
- e. The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause 3(ix)(e) of the Order is not applicable to the Company.
- f. The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on Clause 3(ix)(f) of the Order is not applicable to the Company.
- x. a. The Company has not raised any money during the year by way of initial public offer / further public offer (including debt instruments) hence, the requirement to report on clause 3(x)(a) of the Order is not applicable to the Company.
- b. The Company has not made any preferential allotment or private placement of shares /fully or partially or optionally convertible debentures during the year under audit and hence, the requirement to report on clause 3(x)(b) of the Order is not applicable to the Company.
- xi. a. No fraud by the Company or no fraud/material fraud on the Company has been noticed or reported during the year.
- b. During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by cost auditor/ secretarial auditor or by us in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- c. We have taken into consideration the whistle blower complaints received by the Company during the year while determining the nature, timing and extent of audit procedures.
- xii. The Company is not a nidhi Company as per the provisions of the Companies Act, 2013. Therefore, the requirement to report on clause 3(xii)(a), (b) and (c) of the Order are not applicable to the Company.
- xiii. Transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards.

- xiv.
 - a. The Company has an internal audit system commensurate with the size and nature of its business.
 - b. The internal audit reports of the Company issued till the date of the audit report, for the period under audit have been considered by us.
- xv. The Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence requirement to report on clause 3(xv) of the Order is not applicable to the Company.
- xvi.
 - a. The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.
 - b. The Company is not engaged in any Non-Banking Financial or Housing Finance activities. Accordingly, the requirement to report on clause (xvi)(b) of the Order is not applicable to the Company.
 - c. The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi)(c) of the Order is not applicable to the Company.
 - d. There is no Core Investment Company as a part of the Group, hence, the requirement to report on clause 3(xvi)(d) of the Order is not applicable to the Company.
- xvii. The Company has not incurred cash losses in the current financial year and in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors during the year and accordingly requirement to report on Clause 3(xviii) of the Order is not applicable to the Company.
- xix. On the basis of the financial ratios disclosed in note 47 to the financial statements, ageing and expected dates of realization of assets and payment of liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx.
 - a. In respect of other than ongoing projects, there are no unspent amounts that are required to be transferred to a fund specified in Schedule VII of the Companies Act (the Act), in compliance with second proviso to sub section 5 of section 135 of the Act. This matter has been disclosed in note 26 to the financial statements.

- b. There are no unspent amounts in respect of ongoing projects, that are required to be transferred to a special account in compliance of provision of sub section (6) of section 135 of Companies Act. This matter has been disclosed in note 26 to the financial statements.

Annexure 2 referred to in paragraph 2(f) under the heading “Report on other legal and regulatory requirements” of our report of even date

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to financial statements of Eaton Fluid Power Limited (“the Company”) as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these financial statements and their operating effectiveness. Our audit of internal financial controls with reference to these financial statements included obtaining an understanding of internal financial controls with reference to these financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to these financial statements.

Meaning of Internal Financial Controls with Reference to these Financial Statements

A company's internal financial controls with reference to these financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to these financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to these Financial Statements

Because of the inherent limitations of internal financial controls with reference to these financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to these financial statements to future periods are subject to the risk that the internal financial control with reference to these financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to these financial statements and such internal financial controls with reference to these financial statements were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

1. Corporate information

Eaton Fluid Power Limited, (“the Company”) is a public company domiciled in India and is incorporated under the provisions of the Companies Act, 1956. The Company is engaged in manufacturing and trading of Fluid Power Hydraulic Equipments such as Pumps, Gear Pumps, Valves, Cylinders, Packaged systems and related components. As at March 31, 2021, ETN Holding 2 Limited, Mauritius and Eaton Technologies Private Limited, India holds 52.61 percent and 45 percent of share capital respectively with the remaining shares held by the public. On August 02, 2021, the shares held by ETN Holding 2 Limited and Eaton Technologies Private Limited (97.61%) was sold to Danfoss Fluid Power Private Limited by way of a Share purchase agreement. The registered office of the Company is located at 145, Mumbai Pune road, Pimpri, Pune - 411018. The CIN of the Company is U29120PN1965PLC015850.

The IND-AS financial statements were authorised for issue in accordance with a resolution of the directors on September 06, 2022.

2. Significant accounting policies

2.1 Basis of preparation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (“IND AS”) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and presentation requirements of division II of schedule III to the Companies Act, 2013 (Ind-AS compliant schedule III).

The IND-AS financial statements have been prepared on a historical cost basis except for certain financial assets and liabilities which have been measured at fair value. The IND-AS financial statements are presented in INR million which is also the functional currency of the Company. All amounts have been rounded-off to the nearest INR million unless otherwise stated.

The Company has prepared the financial statements on the basis that it will continue to operate as a going concern.

Consequent to amendments to the Schedule III of the Companies Act, 2013, few disclosures and interpretations apply for the first time for the year ended March 31, 2022, but do not have any impact on the financial statements of the Company.

The Company has not early adopted any standards or amendments that have been issued but are not yet effective.

2.2 Summary of significant accounting policies

The following are the significant accounting policies applied by the Company in preparing its IND-AS financial statements:

a. Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or

- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

b. Foreign currencies

Transactions and balances

Transactions in foreign currencies are initially recorded by the Company at their functional currency spot rates at the date the transaction first qualifies for recognition. The Company uses a monthly average rate if the average approximates the actual rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in Statement of profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

c. Fair value measurement

The Company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the IND-AS financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the IND-AS financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

External valuers are involved for valuation of freehold land/investment property. Involvement of external valuers is decided upon annually by the Company. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above. This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes:

Disclosure for valuation methods, significant estimates and assumptions (refer note 28)

Financial instruments (including those carried at amortised cost) (refer note 37)

Investment property (refer note 4)

For assets and liabilities that are recognised in the IND-AS financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

d. Revenue from contract with customers

Sale of products

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services, excluding taxes or duties collected on behalf of the government e.g. goods and service tax (GST). The normal credit term is 30 to 90 days upon delivery. In determining the transaction price for the sale of goods, the Company considers the effects of variable consideration. The Company has generally concluded that it is the principal in its revenue arrangements.

The disclosures of significant accounting judgements, estimates and assumptions relating to revenue from contracts with customers are provided in note 28.

The Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated. In determining the transaction price for the sale of goods, the Company considers the effects of variable consideration, the existence of significant financing components, non-cash consideration, and consideration payable to the customer if any.

The specific recognition criteria described below must also be met before revenue is recognised.

Contract liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due when billing has been done) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract.

Trade Receivables

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e only the passage of time is required before payment of the consideration is due).

Sale of services

Revenue from rendering of services is recognised over time by measuring the progress towards complete satisfaction of performance obligations at the reporting period. The Company collects GST on behalf of the government and, therefore, it is not an economic benefit flowing to the Company.

Revenue from management consultancy services are recognised on cost plus basis in accordance with the terms of contract.

Interest income

For all debt instruments measured at amortised cost interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability.

Rental income

Rental income is recognised on a straight-line basis over the lease term, other than escalations on account of inflation.

Export incentive

Export incentive are recognised at the time of exports and when it is reasonably certain that the amounts would be recovered.

e. Government grants

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset.

f. Taxes

The tax expense for the year comprises of current and deferred tax. Tax is recognised in the statement of profit and loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted, at the reporting date.

Current income tax relating to items recognised outside Statement of profit or loss is recognised outside Statement of profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside Statement of profit or loss is recognised outside Statement of profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax for the year. The deferred tax asset is recognised for MAT credit available only to the extent that it is probable that the concerned company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the company recognizes MAT credit as an asset, it is created by way of credit to the statement of profit and loss and shown as part of deferred tax asset. The company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent that it is no longer probable that it will pay normal tax during the specified period.

Goods and Services tax paid on acquisition of assets or on incurring expenses

Expenses and assets are recognised net of the amount of Goods and Services tax paid, except:

- (i) When the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable.
- (ii) When receivables and payables are stated with the amount of tax included

The net amount of tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet.

g. Property, plant and equipment

Property, plant and equipment and capital work in progress are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in Statement of profit or loss as incurred.

Depreciation is computed on a straight-line method based on estimated useful lives as follows:

Asset Block	Useful Life prescribed in Schedule II of the Act (Years)	Useful life estimated by the management (Years)
Buildings	3 to 60	9 to 40
Roads	3 to 10	10
Plant and equipment	8 to 15	4 to 10
Furniture and fixtures	10	10
Office equipment	5	10
Electrical installations and equipment	10	10
Computer hardware	3 to 6	3
Motor vehicles	8	4

Leasehold improvements are amortized over the period of the lease.

Low value assets individually costing less than INR 5,000 are fully depreciated in the year of purchase, as the management is of the view that the technical assessment of useful life of such assets do not generally exceed one year.

The Company, based on technical assessment made by technical expert and management estimate, depreciates certain items of plant and equipment over estimated useful lives which are different from the useful life prescribed

in Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

h. Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the Statement of profit and loss unless such expenditure forms part of carrying value of another asset

Computer Software

Software licenses without useful economic life are charged off to the Statement of Profit and Loss in the year of purchase. Software's with perpetual licenses are capitalized and the costs are amortized on a straight line method over a period of five years.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of profit or loss when the asset is derecognised.

i. Investment properties

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

Though the Company measures investment property using cost based measurements, the fair value measurement of investment property is disclosed in note 4. Fair values are determined based on a periodic evaluation performed by an accredited external independent valuer applying valuation model recommended by recognised valuation standards.

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in the Statement of profit and loss in the period of derecognition.

j. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

k. Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment.

Lease Liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date with no option for extension and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis

over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

l. Inventories

Raw materials, components and traded goods are valued at lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost of raw materials, components and traded goods is determined on a yearly weighted average basis.

Work-in-progress and finished goods are valued at lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity. Cost is determined on a yearly weighted average basis.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale. Provision for obsolescence is determined based on management assessment and is charged to the Statement of profit and loss.

m. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

The Company bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Company's CGUs to which the individual assets are allocated. These budgets and forecast calculations generally cover a period of five years.

Impairment losses, including impairment on inventories, are recognised in the Statement of profit and loss.

n. Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Warranty provisions

Provisions for warranty related costs are recognised when the product is sold or service provided to the customer. Initial recognition is based on historical experience. The initial estimate of warranty related costs is revised annually.

o. Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the IND-AS financial statements.

p. Retirement and other employee benefits

Retirement benefit in the form of provident fund and superannuation are defined contribution scheme. The Company has no obligation, other than the contribution payable to the respective funds. The Company recognizes contribution payable to these funds as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the funds are recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

The Company operates a defined benefit gratuity plan, which requires contributions to be made to a separately administered fund.

The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to Statement of profit or loss in subsequent periods.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognises the following changes in the net defined benefit obligation as an expense in the Statement of profit and loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Net interest expense or income

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year-end. Actuarial gains/losses are immediately taken to the Statement of profit and loss and are not deferred. The Company presents the leave as a current liability in the Balance Sheet to the extent it does not have an unconditional right to defer its settlement for 12 months after the reporting date. Where Company has the unconditional legal and contractual right to defer the settlement for a period beyond 12 months, the same is presented as non-current liability.

q. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through Statement of profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortised cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments at fair value through Statement of profit or loss (FVTPL)
- Equity instruments measures at fair value through other comprehensive income

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the Statement of profit or loss. The losses arising from impairment are recognised in the Statement of profit or loss. This category generally applies to trade and other receivables.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

In accordance with IND AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance
- b) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of IND AS 115.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the Statement of profit and loss (P&L). The balance sheet presentation of financial assets measured as at amortised cost and contractual revenue receivables is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through Statement of profit and loss, loans and borrowings or payables, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through Statement of profit or loss

Financial liabilities at fair value through Statement of profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through Statement of profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by IND AS 109.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in Statement of profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. This category generally applies to borrowings.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of profit or loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously

r. Operating Segment

Operating Segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker. The Chief Operating Decision Maker who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Board of Directors that makes strategic decisions.

s. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of Statement of cash flows, cash and cash equivalents consists of cash and short-term deposits, as defined above.

t. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Changes in accounting policies and disclosures

(i) Amendments to Ind AS 116: Covid-19-Related Rent Concessions

MCA issued an amendment to Ind AS 116 Covid-19-Related Rent Concessions beyond 30 June 2021 to update the condition for lessees to apply the relief to a reduction in lease payments originally due on or before 30 June 2022 from 30 June 2021. The amendment applies to annual reporting periods beginning on or after 1 April 2021. In case a lessee has not yet approved the financial statements for issue before the issuance of this amendment, then the same may be applied for annual reporting periods beginning on or after 1 April 2020.

These amendments had no impact on the financial statements of the Company.

(ii) Amendments to Ind AS 103 Business Combinations

The amendment states that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Framework for the Preparation and Presentation of Financial Statements in accordance with Indian Accounting Standards* issued by the Institute of Chartered Accountants of India at the acquisition date. Therefore, the acquirer does not recognise those costs as part of applying the acquisition method. Instead, the acquirer recognises those costs in its post-combination financial statements in accordance with other Ind AS. This amendment had no impact on the standalone financial statements of the Company.

(iii) Amendment to Ind AS 105, Ind AS 16 and Ind AS 28

The definition of “Recoverable amount” is amended such that the words “the higher of an asset’s fair value less costs to sell and its value in use” are replaced with “higher of an asset’s fair value less costs of disposal and its value in use”. The consequential amendments are made in Ind AS 105, Ind AS 16 and Ind AS 28.

These amendments had no impact on the financial statements of the Company.

(iv) Amendments to Ind AS 1 and Ind AS 8: Definition of Material

The amendments provide a new definition of material that states, “information is material if omitting, misstating or obscuring it could reasonably be expected to influence decisions that the primary users of general-purpose financial statements make on the basis of those financial statements, which provide financial information about a specific reporting entity.” The amendments clarify that materiality will depend on the nature or magnitude of information, either individually or in combination with other information, in the context of the financial statements. A misstatement of information is material if it could reasonably be expected to influence decisions made by the primary users. These amendments had no impact on the standalone financial statements of, nor is there expected to be any future impact to the Company.

These amendments are applicable prospectively for annual periods beginning on or after the 1 April 2020. The amendments to the definition of material are not expected to have a significant impact on the Company's standalone financial statements.

(v) Interest Rate Benchmark Reform – Phase 2: Amendments to Ind AS 109, Ind AS 107, Ind AS 104 and Ind AS 116

The amendments provide temporary reliefs which address the financial reporting effects when an interbank offered rate (IBOR) is replaced with an alternative nearly risk-free interest rate (RFR).

The amendments include the following practical expedients:

- A practical expedient to require contractual changes, or changes to cash flows that are directly required by the reform, to be treated as changes to a floating interest rate, equivalent to a movement in a market rate of interest
- Permit changes required by IBOR reform to be made to hedge designations and hedge documentation without the hedging relationship being discontinued
- Provide temporary relief to entities from having to meet the separately identifiable requirement when an RFR instrument is designated as a hedge of a risk component

These amendments had no impact on the financial statements of the Company. Company intends to use the practical expedients in future periods if they become applicable.

(vi) Conceptual framework for financial reporting under Ind AS issued by ICAI

The amendments provide a new definition of material that states, “information is material if omitting, misstating or obscuring it could reasonably be expected to influence decisions that the primary users of general-purpose financial statements make on the basis of those financial statements, which provide financial information about a specific reporting entity.” The amendments clarify that materiality will depend on the nature or magnitude of information, either individually or in combination with other information, in the context of the financial statements. A misstatement of information is material if it could reasonably be expected to influence decisions made by the primary users. These amendments had no impact on the standalone financial statements of, nor is there expected to be any future impact to the Company.

These amendments are applicable prospectively for annual periods beginning on or after the 1 April 2020. The amendments to the definition of material are not expected to have significant impact on the Company's financial statements.

Notes:

1. The Company had elected to continue with the carrying value of property, plant and equipment and intangible assets as recognised in the financial statements as per previous GAAP and had regarded those values as the deemed cost on the date of transition (i.e. April 1, 2015). The Company has disclosed the gross block and accumulated depreciation / amortisation above, for information purpose only.

2. In year ending March 31, 2021, Free hold land includes part of the land given to a group company on lease and the same is classified as investment property as at the date of transition to IND AS. This lease has been cancelled during the year and the said land has ceased to be an investment property, accordingly shown as addition to freehold land for the year ended March 31, 2022.

Information regarding income and expenditure of investment property

	March 31, 2022	March 31, 2021
Rental income derived from investment property	1.06	3.18
Profit arising from investment properties before depreciation and indirect expenses	1.06	3.18
Less : Depreciation	-	-
Profit arising from investment properties before indirect expenses	1.06	3.18

The Company's investment property consisted of land situated at Pimpri, Pune.

@ During the year ended March 31, 2022, the said lease agreement has been cancelled with mutual consent of Company and Lessee, namely Eaton Technologies Private Limited (ETPL) with effect from July 26, 2021. Accordingly, the land is not an investment property as at March 31, 2022.

As at March 31, 2021, the fair value of the property was INR 50.52 million. The Company obtains independent valuation for its investment property at least annually. The best evidence of fair value is current prices in an active market for similar properties. Where such information is not available, the Company considers reckoner rates. The fair value of investment property was determined by an independent valuer. The main input used was the reckoner rate. All resulting fair value estimates for investment property are included in Level 2.

Provision for statutory matters	63.10	62.76
	90.52	83.00
	143.78	123.95

Provision for warranties

The warranty provision covers the expenses related to the repair and replacement of products sold. The amount is determined on a standard basis, based on past experience of the average expenses incurred. Anticipated specific costs relating to any supply of defected materials/batch is also provided as per specific estimates. The timing and amount of cash flows for warranty, will be determined on receipt of claims from customers as and when such claims are incurred. The table below gives information about movement in warranty provision:

	March 31, 2022	March 31, 2021
At the beginning of the year	20.24	21.34
Arising during the year	10.94	14.78
Utilized during the year	(3.76)	(15.88)
At the end of the year	27.42	20.24

Provision for statutory matters

A provision is recognized towards liability expected to arise under Central Sales Tax Act for outstanding 'C' and 'other' forms to be collected by the Company for financial years 2000-01 to 2017-18. The timing and amount of cash flows for sales tax liability, which will arise from these matters, will be determined by the relevant authorities on settlement of the sales tax cases.

Eaton Fluid Power Limited
Notes to the IND-AS financial statements for the year ended March 31, 2022

(All amounts in INR million unless otherwise stated)

18 Revenue from operations

	For the year ended March 31, 2022	For the year ended March 31, 2021
Sale of products		
Finished goods	3,331.83	2,711.56
Traded goods	1,175.77	900.07
Sale of services	18.91	29.31
Other operating revenue		
Scrap sales	8.11	4.88
Export incentives (refer note 10)	29.94	6.15
Total revenue from operations	4,564.56	3,651.97

Disaggregated revenue information

Set out below is the disaggregation of the Company's revenue from contracts with customers

	For the year ended March 31, 2022	For the year ended March 31, 2021
Location		
India	3,524.49	2,891.31
Outside India	1,010.13	754.51
Total revenue from contracts with customers *	4,534.62	3,645.82

Timing of revenue recognition

Goods transferred at a point in time	4,515.71	3,616.52
Services transferred over time	18.91	29.31
Revenue from contract with customers *	4,534.62	3,645.83

Set out below is the amount of revenue recognised from

Amounts included in contract liabilities at the beginning of the year	17.31	3.96
Performance obligations satisfied in previous years	-	-

Reconciling the amount of revenue recognised in the Statement of profit and loss with the contracted price

Revenue as per contracted price	4,545.24	3,652.25
Adjustments		
Discounts	(10.62)	(6.42)
Revenue from contract with customers *	4,534.62	3,645.83

The Company does not have any contract assets which would require adjustment of revenue recognised over a period of time and hence disclosures related to it has not been presented.

* Excludes government grant export incentives amounting INR 29.94 (March 31, 2021: INR 6.15)

19 Other income

	For the year ended March 31, 2022	For the year ended March 31, 2021
Interest income		
Bank deposits	3.96	4.29
Others**	0.60	27.89
Rental income (refer note 42)	2.97	3.52
Exchange difference (gain)	25.43	7.98
Gain on sale of property, plant and equipment	0.79	-
Miscellaneous income	4.07	0.82
	37.82	44.50

** March 31, 2021 includes interest on refund received from Income tax department

(All amounts in INR million unless otherwise stated)

26 Corporate Social responsibility

	For the year ended March 31, 2022		For the year ended March 31, 2021
a) Gross amount required to be spent by the Company during the year	2.58		2.68
b) Amount approved by the Board to be spent during the year	2.58		2.68
c) Amount spent during the year ended on March 31, 2022:	In cash	Yet to be paid	Total
i) Construction/acquisition of any asset	-	-	-
ii) On purposes other than (i) above	2.58	-	2.58
d) Amount spent during the year ended on March 31, 2021:	In cash	Yet to be paid	Total
i) Construction/acquisition of any asset	-	-	-
ii) On purposes other than (i) above	2.68	-	2.68
e) Details related to spent / unspent obligations	For the year ended March 31, 2022		For the year ended March 31, 2021
i) Contribution to Public Charitable Trust	2.58		2.68
ii) Contribution to Charitable Trust	-		-
iii) Unspent amount in relation to:			
- Ongoing project	-		-
- Other than ongoing project	-		-

As at the year ended March 31, 2022, in respect of other than ongoing projects and ongoing projects, there are no unspent amounts that are required to be transferred to a fund specified in Schedule VII of the Companies Act, 2013 in compliance with second proviso to sub section 5 of section 135 of the Act, 2013 or to a special account in compliance of provision of sub section (6) of section 135 of Companies Act,

(This space is left blank intentionally)

27 Earnings per share

Basic and diluted earnings per share is calculated by dividing the profit attributable to equity holders by the weighted average number of equity shares outstanding during the year. The numbers used in calculating basic and diluted EPS are stated below:

Particulars		March 31, 2022	March 31, 2021
Numerator for basic and diluted profit per share			
Net profit/ (loss) after tax attributable to shareholders	(A)	268.54	145.78
Denominator for basic and diluted profit per share			
Weighted average number of equity shares (numbers in million)*	(B)	6.96	6.96
Basic and diluted earning per share of face value of INR 10 each	(A/B)	38.56	20.93

* There have been no transactions involving equity shares or potential equity shares between the reporting date and the date of authorisation of these IND-AS financial statements.

28 Significant accounting judgements, estimates and assumptions

The preparation of the Ind-AS financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Judgements

In the process of applying the Company's accounting policies, management has made the following judgement, which have the most significant effect on the amounts recognised in the Ind-AS financial statements:

Revenue from contracts with customers

The Company applied the following judgements that significantly affect the determination of the amount and timing of revenue from contracts with customers:

- Identifying performance obligation and determining timing of satisfaction of performance obligation for sale of products

The Company enters into contract with customers for sale of goods and determined that such goods are capable of being distinct. The fact that the Company regularly sell these goods on a standalone basis indicate that the customer can benefit from it on an individual basis. The Company also determined that the promises to transfer these goods are distinct within the context of the contract and that they are not input to a combined item in the contract. The Company has concluded that sale of goods is to be recognised at a point in time because it does not meet the criteria for recognising revenue over a period of time. The Company has applied judgment in determining the point in time when the control of the goods are transferred based on the criteria mentioned in the standard read along with the contract with customers, applicable laws and considering the industry practices. Further, the dispatch of goods is made on the basis of the purchase orders obtained from the customer taking into account the just in time production model with customer.

- Determining method to estimate variable consideration and assessing the constraint

Certain contracts for the sale of goods include volume rebates that give rise to variable consideration. In estimating the variable consideration, the Company applies either the most likely amount method or the expected value method. The most likely amount method is applied for contracts with a single-volume threshold and the expected value method is applied for contracts with more than one volume threshold.

The Company determined that the estimates of variable consideration are not constrained based on its historical experience, business forecast and the current economic conditions. In addition, the uncertainty on the variable consideration will be resolved within a short time frame.

(This space is left blank intentionally)

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the Ind-AS financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Defined benefit plans (gratuity benefits)

The cost of the defined benefit gratuity plan and other post-employment benefits and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The discount rate is the parameter most subject to change. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds. The mortality rate is based on publicly available mortality tables for India. Mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates. Future details about gratuity obligations are given in note 29.

Warranty and provision for statutory matters

For estimates relating to warranty and provision for statutory matters relating to sales tax liability, refer note 17.

Inventory provision

Management reviews the inventory age listing on a periodic basis. The management has appointed a material review board, which reviews aged items in inventory to identify excess and obsolete inventory. This review involves comparison of the carrying value of the aged inventory items with the respective net realizable value. The purpose is to ascertain whether an allowance is required to be made in the financial statements for any obsolete slow-moving items and net realisable value. Management is satisfied that adequate allowance for obsolete and slow-moving inventories has been made in the IND AS financial statements.

Impairment of non-financial assets

The Company has performed tests for impairment in the current year on the basis of budgeted future estimated revenue and cash flow. The Management has prepared estimates of future cash flows by considering various factors like impact on the economy and asset prices in general and impact of current events and conditions on the Company's operations. Based on calculation performed management believes that there is no requirement of any impairment for non - financial assets.

(This space is left blank intentionally)

29 Post employment benefits plans

The Gratuity scheme is a defined benefit plan that provides for a lump sum payment made on exit either by way of retirement, death, disability or voluntary withdrawal. Under the gratuity plan, every employee who has completed five years or more of service gets a gratuity on departure at 15 days last drawn salary for each completed year of service (22 days of last drawn salary if the employee has completed 10 years of service). Due to the nature of the plan, the risks commonly affecting the liabilities and the financial results are expected to be:

Interest rate risk : The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.

Salary Inflation risk : Higher than expected increases in salary will increase the defined benefit obligation

Demographic risk : This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends upon the combination of salary increase, discount rate and vesting criteria. It is important not to overstate withdrawals because in the financial analysis the retirement benefit of a short career employee typically costs less per year as compared to a long service employee.

The following tables summarise the components of net benefit expense recognised in the Statement of profit and loss, the funded status, amounts recognised in balance sheet and in other comprehensive income.

Statement of profit and loss**Net employee benefit expense on account of gratuity recognized in the Statement of profit and loss**

Particulars	March 31, 2022	March 31, 2021
Current service cost	9.29	9.12
Net benefit expense in the Statement of profit and loss	9.29	9.12

Amount recognised in the statement of other comprehensive income (OCI)

Particulars	March 31, 2022	March 31, 2021
Actuarial loss due to DBO experience	13.96	6.74
Actuarial (gain) due to DBO assumption changes	3.16	(0.91)
Return on plan assets (greater) /less than discount rate	0.49	(2.83)
Actuarial losses recognized in OCI	17.61	3.00

Net interest expense

Particulars	March 31, 2022	March 31, 2021
Interest cost	8.74	8.38
Interest income on plan assets	(9.73)	(8.79)
Net interest expense	(0.99)	(0.41)

Balance Sheet**Benefit asset/(liability):**

	March 31, 2022	March 31, 2021
Present value of defined benefit obligation	(156.66)	(135.67)
Fair value of plan assets	152.62	142.91
Plan (liability)	(4.04)	7.24

Changes in the present value of the defined benefit obligation are as follows

Particulars	March 31, 2022	March 31, 2021
Opening defined benefit obligation	135.67	137.82
Current service cost	9.29	9.12
Interest cost	8.74	8.38
Acquisitions	-	-
Actuarial losses on obligation experience	13.96	6.74
Actuarial (gain) due to DBO assumption changes	3.16	(0.91)
Benefits paid directly by the Company	(7.71)	-
Benefits paid from plan assets	(6.45)	(25.48)
Closing defined benefit obligation	156.66	135.67

Changes in the fair value of plan assets are as follows

Particulars	March 31, 2022	March 31, 2021
Opening fair value of plan assets	142.91	131.72
Acquisition adjustment	-	0.73
Interest income on plan assets	9.73	8.79
Contributions by employer	6.92	24.32
Return on plan assets (lesser) than discount rate	(0.49)	2.83
Benefits paid from plan assets	(6.45)	(25.48)
Closing fair value of plan assets	152.62	142.91

The major categories of plan assets as a percentage of the fair value of total plan assets are as follows

Nature of plan assets	March 31, 2022	March 31, 2021
Investments with insurer	100%	100%

Amount recognised in Balance Sheet, Profit and Loss account and statement of other comprehensive income (OCI)

	March 31, 2022	March 31, 2021
Defined benefit obligation	156.66	135.67
Fair value of Plan assets	152.62	142.91
(Deficit)/ surplus	(4.04)	7.24
Current service cost	9.29	9.12
Remeasurements recognised in OCI	17.61	3.00

The principal assumptions used in determining gratuity obligations for the Company's plan are shown below:

Particulars	March 31, 2022	March 31, 2021
Discount rate	6.50%	6.80%
Expected rate of increment in compensation levels for year and thereafter	8.75%	8.75%

Employee turnover	March 31, 2022	March 31, 2021
Age		
Between 21-30 years	13%	13%
Between 31-34 years	7%	7%
Between 35-44 years	5%	5%
Between 45-50 years	5%	5%
Between 51-54 years	5%	5%
Above 55 years	4%	4%

The estimates of future salary increases, considered in actuarial valuation, take account of price inflation, regular increments and promotions and other relevant factors, such as supply and demand in the employment market.

The overall expected rate of return on assets is determined based on the market prices prevailing on that date, applicable to the period over which the obligation is to be settled. There has been significant change in expected rate of return on assets due to change in the market scenario.

A quantitative sensitivity analysis for significant assumption as at March 31, 2022 and March 31, 2021 is as shown below

Particulars	Sensitivity level	Impact on defined benefit obligation	
		March 31, 2022	March 31, 2021
Discount rate	0.5% increase	(5.19)	(4.37)
	0.5% decrease	5.58	4.68
Future salary increase	0.5% increase	5.44	4.57
	0.5% decrease	(5.11)	(4.32)
Withdrawal rate	5% increase	(7.01)	(8.60)
	5% decrease	12.24	5.19

Method used for sensitivity analysis: The sensitivity results above determine their individual impact on the Plan's end of year Defined benefit obligation. In reality, the plan is subject to multiple external experience items which may move the Defined Benefit Obligation in similar or opposite directions, while the plan's sensitivity to such changes can vary over time.

The following payments are expected contributions to the defined benefit plan in future years:

Particulars	March 31, 2022	March 31, 2021
Within the next 12 months (next annual reporting period)	20.60	13.61
Between 1 and 2 years	23.16	21.77
Between 2 and 3 years	12.56	20.15
Between 3 and 4 years	22.98	10.51
Between 4 and 5 years	14.98	17.77
Sum of years 6 to 10	81.16	74.70

Weighted average duration of the plan (based on discounted cash flows using mortality, withdrawal and interest rate) is 6 years (March 31, 2021: 11 years).

30 Capital and Other commitments

	March 31, 2022	March 31, 2021
Estimated amount of contracts remaining to be executed on capital account and not provided for (net of capital advances: March 31, 2022: INR 13.78 (March 31, 2021: INR 2.57))	36.49	100.15
	36.49	100.15

31 Contingent liabilities

	March 31, 2022	March 31, 2021
Excise duty/service tax matters (Refer note a)	73.51	73.51
Sales tax matters - VAT and liability for non submission of various forms and other documents (Refer note a and b)	63.72	63.18
Income tax matters (Refer note a and c)	112.16	104.27
Workmen compensation in respect of certain employees	23.28	23.28
Financial guarantees and advance guarantees given to the customers and other authorities	37.08	18.54
	309.75	282.78

Note:

(a) Excise duty / Service tax / Income tax/ Sales tax/ VAT dues comprise of demand from the Indian tax authorities for payment of additional tax in relation to various tax matters. The Company is contesting the demands and the management, including its tax advisors, believe that its position will likely be upheld in the appellate process. No tax expense has been accrued in the Ind-AS financial statements for the tax demand raised. The management believes that the ultimate outcome of this proceeding will not have a material adverse effect on the Company's financial position and results of operations.

The income tax assets as at March 31, 2022 of INR 169.03 include receivables from income tax department for various assessment years. During the assessment proceedings, the department has adjusted the refunds of INR 42.32 and INR 61.95 for AY 2007-08 and AY 2009-10 from the liabilities of AY 2013-14 and AY 2014-15.

(b) Based on discussions, the management feels that the claims lodged by the supplier have no ground and hence no provision against such claims is considered necessary.

(c) During the year, Company has received demand order from income tax authorities amounting to INR 7.89 million for AY 2017-18 wherein adjustment of INR 77.78 million is made in income by the Transfer Pricing Officer. The Company has filed an appeal to Income Tax Appellate Tribunal in response to the demand order subsequent to the year ended March 31, 2022. The management believes that the ultimate outcome of this proceeding will not have a material adverse effect on the Company's financial position and results of operations.

32 Segment Information

The Company is engaged in manufacturing and trading of Fluid Power Hydraulic Equipments such as Pumps, Gear Pumps, Valves, Cylinders, Packaged systems and related components. On a review of all the relevant aspects including, in particular, the system of internal financial reporting to the Board of Directors, which is the Chief Operating Decision Maker ('CODM') and considering the economic characteristics of the operations, the Company is of the view that it operates in a single primary segment. The said treatment is in accordance with the guiding principles enacted in Indian Accounting Standard 108 Operating Segments (IND AS 108). Accordingly the Company has disclosed segment information for its secondary segment which is the geographical segment as below:

Particulars	March 31, 2022	March 31, 2021
Revenue (gross)		
India	3,554.43	2,897.46
Outside India	1,010.13	754.51
Total	4,564.56	3,651.97

Particulars	March 31, 2022	March 31, 2021
Carrying amount of assets		
Assets within India	2,584.60	2,308.35
Assets outside India	367.15	287.78
Total	2,951.75	2,596.13

Particulars	March 31, 2022	March 31, 2021
Additions to property, plant and equipment and intangible assets		
Additions to capital assets within India	185.36	18.90
Additions to capital assets outside India	-	-
Total	185.36	18.90

The revenue information above is based on the locations of the customers.

Amount of sales to customer more than 10% of total sales:

Particulars	March 31, 2022	March 31, 2021
Amount of sales to customer more than 10% of total sales	864.59	791.14

33 Income tax

A The major components of income tax expenses for the year ended March 31, 2022 and March 31, 2021 are:

Particulars	March 31, 2022	March 31, 2021
Current tax		
Current tax (net of MAT credit utilisation of Nil (March 31, 2021: INR 25.09))	105.46	34.18
Tax expense/ (credit) for earlier years	2.80	(1.67)
Deferred tax		
Relating to origination and reversal of temporary differences	(55.58)	-
Income tax expense reported in statement of profit or loss	52.68	32.51
OCI expense		
Deferred tax related to items recognised in OCI during the year	4.43	1.05

B Reconciliation of tax expense and the accounting profit multiplied by India's domestic tax rate

Particulars	March 31, 2022	March 31, 2021
Profit before tax	321.22	178.29
Tax rate @ 25.17%/ 34.94%	80.84	62.30
Adjustments for:		
Effect of deferred tax assets created on timing differences in the current year	(34.27)	-
Utilisation of brought forward losses and MAT credit against current year taxable income	-	(35.41)
Tax expense/ (credit) for earlier years	2.80	(1.67)
Effect of tax on items in the nature of permanent disallowance in tax	3.31	7.29
Income-tax expense	52.68	32.51

(This space is left blank intentionally)

C Deferred tax assets (net)

	Balance sheet		Statement of profit and loss	
	March 31, 2022	March 31, 2021	March 31, 2022	March 31, 2021
Deferred tax assets				
Difference between WDV as per tax and WDV as per financial statement	1.90	-	1.90	-
Provision for employee benefits	14.25	-	14.25	-
Provision for statutory matters	15.88	-	15.88	-
Provision for doubtful debts	4.33	-	4.33	-
Provision for doubtful advance	2.82	-	2.82	-
Other timing difference	16.40	5.54	10.86	3.26
	55.58	5.54	50.04	3.26
Deferred tax liability				
Difference between WDV as per tax and WDV as per financial statement	-	5.54	5.54	(3.26)
	-	5.54	5.54	(3.26)
Deferred tax (credit)			55.58	-
Net Deferred tax asset	55.58	-		

The Company offsets the tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

During the year, the Company has recognised deferred tax assets of INR 55.58 on permissible temporary timing differences. As at March 31, 2021, the Company had not recognized deferred tax assets aggregating to INR 61.98 (including MAT credit of INR 21.27), in absence of certainty over future taxable benefits.

The Company intends to utilise the lower tax regime as per Section 115BAA of Income Tax Act, 1961 from the financial year 2021-22 and has accordingly created current tax provision and deferred tax @ 25.17%.

Notes:

(i) As the future liability for gratuity and leave encashment is provided on an actuarial basis for the Company as a whole, the amount pertaining to key managerial personnel is not ascertainable and therefore, not included.

(ii) Salary, bonus and allowance paid to key management personnel have not been disclosed on grounds of confidentiality.

(iii) The Company has made free of cost Sales of 59 units (March 31, 2021: 1,080 units) to various related parties.

(iv) The sales to and purchase from related parties are made on terms equivalent to those that prevail in arm's length transaction. Outstanding balances at the year end are unsecured and interest free and settlement occurs in cash other than reported above. There have been no guarantees provided or received for any related party receivables or payables. For the year ended March 31, 2022, the Company has not recorded any impairment of receivables relating to amounts owned by related parties (March 31, 2021: Nil). This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates.

Eaton Fluid Power Limited**Notes to the IND-AS financial statements for the year ended March 31, 2022**

(All amounts in INR million unless otherwise stated)

36 Financial instruments by category

Set out below is a comparison, by class, of the carrying amounts and fair value of the Company's financial instruments as of March 31, 2022:

Particulars	Amortised Cost	Total carrying value	Total fair value
Financial assets			
Loans	1.57	1.57	1.57
Trade and other receivables	1,037.57	1,037.57	1,037.57
Cash and cash equivalents	43.82	43.82	43.82
Others financial assets	5.50	5.50	5.50
Total	1,088.46	1,088.46	1,088.46
Financial liabilities			
Borrowings	933.47	933.47	933.47
Trade payables	918.32	918.32	918.32
Lease liabilities	0.75	-	-
Other financial liabilities	50.62	50.62	50.62
Total	1,903.16	1,902.41	1,902.41

Set out below is a comparison, by class, of the carrying amounts and fair value of the Company's financial instruments as of March 31, 2021:

Particulars	Amortised Cost	Total carrying value	Total fair value
Financial assets			
Loans	1.88	1.88	1.88
Trade and other receivables	1,066.50	1,066.50	1,066.50
Cash and cash equivalents	86.93	86.93	86.93
Others financial assets	5.50	5.50	5.50
Total	1,160.81	1,160.81	1,160.81
Financial liabilities			
Borrowings	985.00	985.00	985.00
Trade payables	860.50	860.50	860.50
Lease liabilities	3.79	-	-
Other financial liabilities	61.11	61.11	61.11
Total	1,910.40	1,906.61	1,906.61

The management assessed that the fair value of cash and cash equivalent, loans, trade receivables, trade and other payables, borrowings and other current financial assets approximate their carrying amounts largely due to the short term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties.

(This space is left blank intentionally)

37 Financial risk management objectives and policies

The Company's principal financial liabilities comprise trade and other payables and borrowings. The main purpose of these financial liabilities is to finance the Company's operations and to support its operations. The Company's principal financial assets include loans, trade and other receivables and cash and cash equivalents that derive directly from its operations.

The Risk Management policies of the Company are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below.

a. Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and currency risk.

The sensitivity analysis in the following sections relate to the position as at March 31, 2022 and March 31, 2021

Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company has certain financial assets and financial liabilities in foreign currencies which expose the Company to foreign currency risks.

Foreign currency sensitivity

To manage the foreign currency risk arising from recognised assets and liabilities, the Company used forward covers to hedge the risk of fluctuation in some cases as and when required. The following tables demonstrate the sensitivity to a reasonably possible change in USD, SGD and EURO exchange rates, with all other variables held constant. The impact on the Company's profit before tax is due to changes in the fair value of monetary assets and liabilities.

Particulars	Change in FC rate	Effect on profit before tax and pre-tax equity (For USD)	Effect on profit before tax and pre-tax equity (For SGD)	Effect on profit before tax and pre-tax equity (For EURO)
March 31, 2022	5%	(4.09)	(0.11)	(1.18)
	-5%	4.09	0.11	1.18
March 31, 2021	5%	(8.18)	(0.32)	(0.32)
	-5%	8.18	0.32	0.32

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company does not have significant exposure to the risk of changes in market interest rates as the short term borrowings are obtained at fixed interest rates from a related party.

b. Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk primarily from trade receivables, other receivables, loans and deposits with banks.

Trade receivables

Senior management is responsible for managing and analysing the credit risk for each of their new clients before standard payment, delivery terms and conditions are offered. The Company assess the credit quality of the customer, taking into account its financial position, past experience and other factors. Individual risk limits are based on internal and external assessment. The utilisation of credit limits is regularly monitored. In accordance with IND AS 109, the Company uses expected credit loss model to assess the impairment loss or gain. The Company follows simplified approach for recognition of impairment loss allowance on Trade receivable.

Financial instruments and cash deposits

Credit risk on cash and cash equivalents is limited as the Company generally invest in deposits with banks with high credit ratings.

c. Liquidity risk

Liquidity risk is the risk that the Company may encounter difficulty in meeting its present and future obligations associated with financial liabilities that are required to be settled by delivering cash or another financial asset. The Company's objective is to, at all times to maintain optimum levels of liquidity to meet its cash and other obligations. The Company requires funds both for short term operational needs as well as for long term investment programs such as investment in fixed assets. The Company closely monitors its liquidity position and deploys a robust cash management system. It aims to minimise these risks by generating sufficient cash flows from its current operations, which in addition to the available cash and cash equivalents and sufficient committed fund facilities, will provide liquidity.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

As at March 31, 2022	Less than 12 months	1-5 years
Borrowings	95.97	837.50
Lease liabilities	0.75	-
Trade payables	918.32	-
Other financial liabilities	50.62	-

As at March 31, 2021	Less than 12 months	1-5 years
Borrowings	985.00	-
Lease liabilities	2.43	0.99
Trade payables	860.50	-
Other financial liabilities	61.11	-

38 Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise shareholder's value. The Company manages its capital and makes adjustments to it in light of the changes in economic and market conditions.

The Company monitors capital using a gearing ratio. The gearing ratio is calculated as net debt divided by total capital. Net debt is calculated as total borrowings less cash and cash equivalents. Total capital is calculated as equity as shown in the balance sheet plus all other equity reserves attributable to equity holders of the Company.

	As at March 31, 2022	As at March 31, 2021
Borrowings	933.47	985.00
Less: Cash and cash equivalents	43.82	86.93
Net debt	889.65	898.07
Equity	740.36	485.00
Gearing ratio (times)	1.20	1.85

42. Leases

Company as a lessee

The Company has entered into a arrangement to obtain a warehouse on lease. The lease arrangement is for 3 years and includes escalation clause. The Company also has leases for office premises with lease terms of 12 months or less and other low value asset leases. The Company has applied the 'short term lease' and 'lease of low-value-assets' recognition exemption for these leases.

The carrying amounts of right-of-use assets recognised and the movement during the year is disclosed in Note 3A.

(a) Set out below are the carrying amounts of right of use assets recognised and the movements during the period:

Right of Use Assets	March 31, 2022	March 31, 2021
Cost		
As at April 01	3.33	5.82
Additions (Note 3A)	-	-
Depreciation expense	(2.49)	(2.49)
As at March 31	0.84	3.33

(b) Set out below are the carrying amounts of lease liabilities (included under other financial liabilities) and the movements during the period:

Particulars	March 31, 2022	March 31, 2021
Lease Liabilities		
As at April 01	3.79	6.06
Additions	-	-
Finance cost accrued during the year	0.11	0.43
Payments	(3.15)	(2.70)
As at March 31	0.75	3.79
Current portion	0.75	2.43
Non-current portion	-	1.36

The maturity analysis of lease liabilities are disclosed in note 37.

The effective interest rate for lease liabilities is 8.43%, with maturity between 2021-2023

(c) The following are the amounts recognised in profit or loss:

Particulars	March 31, 2022	March 31, 2021
Depreciation expense of right-of-use assets	2.49	2.49
Interest expense on lease liabilities	0.11	0.43
Expense relating to short-term leases and low value leases (included in other expenses) (refer note 25)	3.03	3.74
Total amount recognised in profit or loss	5.63	6.66

The Company had total cash outflows for leases of INR 3.15 (March 31, 2021: INR 2.70).

Company as a lessor

Operating lease (cancellable)

The Company has entered into operating lease agreement with its Group Companies for leasing part of its office space located at Pimpri, Pune for a lease term of 36 months.

In previous year, Company had entered into operating lease agreement on its investment property consisting of freehold land at Pimpri, Pune for a lease term of 59 months. The Company was also recovering rent from its Group Companies against use of office space on sub-lease basis.

The lease rentals are credited to the Statement of profit and loss. The lease is cancellable by giving 30 days notice and does not include any rent escalation for future period. Future lease rentals are determined on the basis of lease payments as per mutually agreed terms. The below lease rentals do not include contingent rent.

Particulars	March 31, 2022	March 31, 2021
Rent received during the year on investment property*	1.06	3.18
Recovery of rent from group companies on sub lease basis	-	0.34
Recovery of rent from group companies on leasing out office building	1.91	-
	2.97	3.52

* During the year ended March 31, 2022, the said lease agreement has been cancelled with mutual consent of Company and lessee, namely Eaton Technologies Private Limited (ETPL) with effect from July 26, 2021.

47 Ratio Analysis and its elements

Ratio	Numerator	Denominator	March 31, 2022	March 31, 2021	% change	Reason for variance
Current ratio	Current Assets	Current Liabilities	1.54	0.93	66.22%	Short term borrowings have been repaid during the year and long term borrowings have been availed leading reduction in current liabilities.
Debt- Equity Ratio	Total Debt	Shareholder's Equity	1.26	2.03	(37.92%)	During the year ended March 31, 2022, shareholders equity has increased due to profit generated from operations while borrowings has reduced as compared to last year, leading to strengthening of ratio in current year.
Debt Service Coverage ratio	Net profit after taxes + Non-cash operating expenses	Interest & lease payments + Principal Repayments	0.28	2.72	(89.80%)	The ratio has been impacted due to significant repayment of demand loans to group companies during the year. The Company has repaid short term borrowings and have availed long term borrowings.
Return on Equity ratio	Net Profits after taxes - Preference Dividend	Average Shareholder's Equity	0.44	0.35	24.19%	During the year ended March 31, 2022, shareholders equity has increased due to better profits, therefore ratio has strengthened in current year.
Inventory Turnover ratio	Cost of goods sold	Average Inventory	4.01	3.53	13.70%	NA
Trade Receivable Turnover Ratio	Net credit sales= Gross credit sales - sales return	Average Trade Receivable	4.31	3.99	7.99%	NA
Trade Payable Turnover Ratio	Net credit purchases= Gross credit purchases - purchase return	Average Trade Payables	3.68	2.61	41.09%	During the year, the turnover and purchase volume has increased significantly as compared to previous year thereby resulting into better turnover ratio.
Net Capital Turnover Ratio	Net sales = Total sales - sales return	Working capital = Current assets – Current liabilities	6.11	(23.58)	(125.93%)	During the year ended March 31, 2021, working capital was negative due to short term borrowings from the group resulting into lower net capital turnover ratio. In the current year, the Company has repaid the short term borrowings and have availed new long term borrowings from group companies.
Net Profit ratio	Net Profit	Net sales = Total sales - sales return	0.06	0.04	47.38%	During the year ended March 31, 2022 higher sales post covid normalization and better cost controls have resulted into improved net profit ratio.
Return on Capital Employed	Earnings before interest and taxes	Capital Employed= Tangible net worth+ total debt+ deferred tax liability	0.24	0.17	36.80%	The ratio has improved on account of higher profit for the year ended March 31, 2022.
Return on Investment	Income generated from invested funds	Average invested funds in treasury investments	0.03	0.04	(19.49%)	NA

(All amounts in INR million unless otherwise stated)

48. Fair values measurement

The following table provides a comparison by class of the carrying amounts and fair value of the Company's financial instruments other than those with carrying amounts that are reasonable approximations of fair values.

	Carrying values	
	As at March 31, 2022	As at March 31, 2021
Non current assets		
Investment property	-	0.03
Total	-	0.03
	Fair value	
	As at March 31, 2022	As at March 31, 2021
Non current assets		
Investment property	-	50.52
Total	-	50.52

The management assessed that cash and cash equivalents, trade receivables, loans, other financial assets, trade payables, borrowings and other financial liabilities approximate their carrying amounts largely due to the short term maturities of these instruments.

The fair value of the financial assets and financial liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

Fair value hierarchy

The table below analyses IND-AS financial instruments carried at fair value, by valuation method as defined in accordance with the accounting policy.

	Significant observable inputs Level 2	Significant unobservable inputs Level 3	Total
Non current assets			
Investment property			
March 31, 2022	-	-	-
March 31, 2021	50.52	-	50.52

There have been no transfer between Level 1 and Level 2 during the year. For details of valuation method, assumption used for valuation of investment property, refer note 4.
