Specifications for EDIFACT ORDERS D99B

Introduction

This document describes the message of a purchase order from Danfoss Power Solutions to suppliers.

Due to process changes in purchasing, Danfoss Power Solutions will send firmed (fixed) requirements with the ORDERS D99B message and pure forecast requirements with DELFOR D99B.

We used the ORDERS both for the creation and the change of a purchase orders. In the BGM-segment we specify the usage of it.

Danfoss Power Solutions uses the EDIFACT standard D99B. This specification is included as well as examples of its uses.

Technical communication

Danfoss Power Solutions offers the following communication channel:

- Value Added Network (VAN)

Danfoss Power Solutions currently uses the IBM Sterling B2B Integration network, including interconnects to other networks and communication protocols.

Please contact srhelp@us.ibm.com or visit <http://www.ibm.com/support>.
