Summary

We are launching new variant of APP 11-13 pump in All super Duplex.

Description

The new pump variants have received the below code numbers and spare part kits. The pumps have the same performance as the current pumps, only different is the material change.

180B3225	APP S 11/1500
180B3226	APP S 11/1200
180B3227	APP S 13/1500
180B3228	APP S 13/1200
Spare parts:	
180B4773	Cylinder Barrel set APP S 11-13
180B4774	Retainer set APP S 11-22
180B4775	Flush valve set APP S 11-13
Accessories:	Existing

Delivery time of the APP S 11-13 will be longer compared to standard APP 11-13. The current delivery time is 13 weeks.

Implementation date

August 20th, 2024

Cause / Background

We have received requests for material change due to requirements of PREN values above 40.

Customer impact

No impact as customers who don't need all Super Duplex pumps can still buy the current version.
